Questions Unanswered? What Does the Bible say...

Should Christians Vote?

This topic has the potential to be divisive when you're talking about religion, and when you add a political overtone sometimes it has the potential for fireworks. Rather than turning this into a debate of opinion about who is right and who is wrong, let see what the Bible has to say about Christians voting.

Psalm 146:3: "Put not your trust in princes, nor in the moral son of man, in whom there is no help."

The Bible says that there is no supreme answer for the woes of the world. But how do we as Christians relate to what is about to unfold in 2016 in an intense and inflammatory political season?

Should we run in the other direction? After all, we're citizens of another kingdom. Others think we should use our influence for good and see every church become a polling station.

This is not about any party or person, it's about principles and attitudes. Christians are primarily citizens of another kingdom.

John 18:36: "My kingdom is not of this world, but right now my kingdom is from not from here."

Notice he said, "Now my kingdom is not from here." This is letting us know that Jesus will someday reign supreme in this world. But right now there's a contest between two principal leaders: Jesus and the Devil being the other, and with a lot of people in between.

Luke 17:20: "The kingdom of God does not come with observation. Or will they say, 'See here! Or see there!' For indeed the kingdom of God is within you."

Developing An Attitude of Gratitude

Besides sharing time with family and friends over food, the primary ingredient of the American Thanksgiving holiday is gratitude. While it's certainly good to have an annual holiday to remind us to express gratitude, there's much to be said for the benefits of cultivating the spirit of thankfulness year-round.

People who are thankful for what they have are better able to cope with stress, have more positive emotions, and are better able to reach their goals. Scientists have even noted that gratitude is associated with improved health.

"The word gratitude is derived from the Latin word gratia, which means grace, graciousness, or gratefulness (depending on the context). In some ways, gratitude encompasses all of these meanings. Gratitude is a thankful appreciation for what an individual receives, whether tangible or intangible.

With gratitude, people acknowledge the goodness in their lives. In the process, people usually recognize that the source of that goodness lies at least partially outside themselves. As a result, gratitude also helps people connect to something larger than themselves as individuals — whether to other people, nature, or God.

The Cold and Flu Season is Here!

Anne Childers, Staff Writer

Dr. Michele Johnson-Towson is a board-certified pediatrician with 26 years of experience in caring for children ages newborn to 21 years old. The doctor is encouraging patients to schedule now for flu shots. Vaccines are available and same-week appointments are possible.

Dr. Johnson-Towson and her staff are dedicated to keeping patients both healthy and educated on changes in children's healthcare. The live attenuated nasal flu spray vaccine is not recommended this year due to the Center for Disease Control (CDC) failing to prove it was adequate enough over the last 3 flu seasons to keep patients from contracting the influenza A (H1N1) type virus.

Normally, it is recommended for patients ages 2 to 49 that are healthy without underlying medical problems. The flu shot, which contains coverage against the influenza A&B

strains, is available in proper doses for ages 6 months and up.

Tampa Bay students have been back in school for several weeks, sharing germs right along with academics and sports. Be sure to call Pediatric Place of Tampa and schedule checkups and physicals to keep your whole family healthy. It is important for shots to be up-to-date and hearing and vision tests current so students are ready for learning and healthy playing.

Pediatric Place of Tampa accepts all insurances as well as self-pay patients. New patients are always welcome! Pediatric Place of Tampa is conveniently located at 1338 W. Fletcher Avenue in Tampa. The cheerful, kid-friendly office is on the bus line, too. Call today at 813-264-2288 and schedule for protection against the flu season!

FHM Chance Opportunity Drawing

The suggested donation for each package starts at \$100 per ticket, and each package is worth approximately \$5000 in value. Purchase any three tickets to receive a \$50 discount.

The Chance Opportunity winners will be announced during the Florida Holocaust Museum's To Life: The FHM's 25th Anniversary Celebration! This grand celebration of

The FHM's 25th Anniversary, featuring David Eisenhower, will take place on Saturday, February 25, 2017 at 6:00pm at the Vinoy Renaissance in downtown St. Petersburg.

Eisenhower will be speaking and accepting a posthumous award on behalf of his grandfather President Dwight D. Eisenhower in honor of the pivotal role he played in liberating the Nazi concentration camps and documenting what was discovered to ensure that the Holocaust could not be denied nor forgotten.

For a full list of Chance Opportunity rules, drawing details, and to enter online for your chance to win, please visit www.TheFHM.org/to-life-annual-benefit. To enter by phone, please call the FHM at 727-820-0100 ext. 251.
