**Day of Atonement**

The Bible's central message is atonement—that is, that God has provided a way for humankind to come back into harmonious relation with Him. This is everywhere apparent in Scripture.

The Revelation 12 sign: A lot of us were waiting for something to manifest into a physical realm on September 23rd with the constellation of the virgin woman Virgo. A 2000 year old prophecy was literally fulfilled before our eyes. Rev 12:1-2.

Psalms 19: 1-4 "The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they reveal knowledge. They have no speech, they use no words; no sound is heard from them, yet their voices go out into all the earth, their words to the ends of the world. In the heavens, God has pitched a tent for the sun. It is like a bridegroom coming out of his chamber, like a champion rejoicing to run his course. It rises at one end of the heavens and makes its circuit to the other; nothing is deprived of its heat."

If you read or heard these words and don't understand that God does put signs in the heavens then one needs to get back into the Bible.

As in Genesis 1:14-15: "God said, 'Let there be light in the expanse of the heavens to separate the day from the night, and let them serve as signs to mark seasons, and for days, and years, and let them be lights in the firmament of the heaven to give light upon the Earth.' And it was so.

For some of us we literally just witnessed his great sign. Though many of us were hoping that the sign and the event would happen in the same day, but as we found out, this did not happen. Nevertheless, the Bible is our guide.

Look at all that converged in 2017. It was the 120th anniversary of the first Zionist Congressional movement. It formulated a Zionist platform, known as the Basel Program, in 1897. 1897 + 120th anniversary = 2017. Judgment.

## Florida Native Plant Society

The Nature Coast Chapter of the Florida Native Plant Society meets the second Tuesday of every month at 7:00pm at the Land O' Lakes Community Center, 5401 Land O'

Lakes Blvd./US 41, Land O' Lakes, 34639, between SR 52 and SR 54.

The subject of the Tuesday, October 10, 2017 meeting is "Native Plants 101", presented by Mary Ellen Gotto, Nature Coast Chapter of the Florida Native Plant Society member and Pasco County Master Gardener.

Mary Ellen will define what a native plant is, and why we should use native plants, which will include conserving natural resources (water, soil) and the importance of native plants to wildlife.

She will talk about purchasing and planting native plants, and container gardening for those who are unable to "get down" and dig in the soil. There will be photos of her plants and handouts.

Mary Ellen moved to Florida in 2009 and never having heard of native plants, became very

frustrated with not being able to grow what she wanted. Sandy Vanno, a friend in her community, brought Mary Ellen to a Nature Coast Chapter meeting, and after a few meetings, Mary Ellen was completely hooked! Even though she lives in a deed-restricted community, she has probably close to 100 species of native plants on a quarter acre lot. In 2015, her yard received a Florida Native Plant Society (FNPS) Native Landscape Award at the FNPS Conference!

Meetings of the Chapter are free, and all interested parties are invited to attend, to bring questions about their yard, and participate in light refreshments and the native plant drawing. Telephone inquiries are taken by Sandy at (727) 207-1853.

# HURRICANE IRMA IMPACT

Many of you have been affected by the devastation of Hurricane Irma. Our entire state was impacted in one way or another; whether by flooding, strong winds, or both. I want you to know that we have been and continue to pray for all of you who have been touched by Hurricane Irma. Praise the Lord that all of our children were kept safe and sound! We evacuated our children and most of our staff to a safe location out of state while a few of us stayed behind to keep watch over our 55 acre home. Hope Children's Home experienced some strong winds, but we are thankful that we only obtained minor damage. Our entire property was pretty well trashed including losing several large trees. As you can imagine, there was a massive clean-up effort

of our property after the storm. It took the few staff that were left back four long days to get the bulk of the branches and debris cleaned up. Several volunteers from the area came to help as well! What a blessing!

**HOW YOU CAN HELP**

Some have asked how they can help now that the hurricane is over. Our greatest loss was the unbudgeted expenses we had transporting three buses of children and staff to and from TN. Each time we stopped for a cheap meal, it was at least \$500 to feed everyone not counting the fuel cost. If you would like to help cover some of our expenses, you can give through the mail or at [HopeChildrensHome.org/Donate](http://HopeChildrensHome.org/Donate). Thank you so much for your help!

### God is in the Midst of Your Storm

**Dr. Dianne Coffin**  
Co-Pastor, River of Life Church

We all know that storms in our weather can be quite threatening. Sometimes things that happen in life can feel like a storm has come.

In the following story, Paul actually faced a huge storm of hurricane proportions. Let's see if there were some things that Paul learned in the midst of his circumstances.

Acts 27:18 (NLT): "The next day, as gale-force winds continued to batter the ship, the crew began throwing the cargo and the ship's gear overboard."

This terrible hurricane raged for many days, blotting out the sun and the stars, until all hope was gone! Paul had warned this ship's captain ahead of time that this storm was coming and no one would listen to him. Because Paul was a prisoner, he had to sail anyway.

Now, he finds himself hearing a word from the Lord in the midst of this upheaval. He encourages them to not be afraid, to take courage, and that because of the goodness of God, there would be no loss of life and safety would be granted to everyone.

Maybe you feel you are in the midst of a storm in life. It might seem as though there too,

is a "blotting out of the sun and stars" so to speak, and you feel you've lost direction. This could have been through no fault of your own. As it was with Paul, you may have been dragged into an uproar, and it's been going on for so long that you too, have given up hope!!

I am here to tell you today that first, do not be afraid. Don't allow fear to so cloud your thinking that you forget WHO God is. You CAN control your thought life and what you allow your mind to meditate on. 2 Cor. 10:4-5.

Secondly, take courage. This implies you have to SEIZE courage yourself. It means to be infused with fresh ability to be determined to persevere with the promise of God's help. We obtain that grace through coming boldly to him (Hebrews 4:16).

Thirdly, I hear the Lord saying there will be no loss of life and safety will be granted to all! Whatever you feel is dying in the midst of your storm, the resurrection life is coming back into it, and hope is being restored! Praise God!! It is not time to give up! It's time to praise him for his goodness and his promise! Blessings!!

Our services begin 10:30am on Sundays. We would love to have you come!!

## prayer requests

Accepting Life as it Comes Jeremiah 29:4-7

sometimes we are called upon to face tremendous difficulties as a result of our choosing to follow Jesus. Jeremiah told the exiles of his day to live as normal lives as possible. He also told them to pray for the welfare of the city which had taken them captive, much in the same way as Jesus tells us to pray for our enemies as well as for our government. Regardless whether you voted or not, let us all pray together for God to lead us in 2017.

Introducing the Idea of Leadership

1 Peter 5:7

Though there are over 350 definitions of leadership, I am going to use a two-pronged definition:

- 1. Leadership is a process by which a person influences others to accomplish a purpose.
- 2. Leadership is a relationship between leader, followers, and the mutual purpose they pursue.

Counselors assist good leaders by helping them remove barriers and facilitate the proposed journey. Advisors are people who analyze the data and provide advice to tailor the message. Management is mostly about positional concepts and consistency. Where then Leadership is about the personal concepts empowered by these followers for change and commitment, they may be the unknown.

Step back for a minute and look around. Do you see very many of these types of leaders? It is a sad site, isn't it? And when you add the concept, "integrity is the core of leadership," we are seeing this leadership as a rarity to say the least. Then, if we continue on and add the concept of Spiritual Leadership—moving people toward God's agenda (ie: pastors, evangelists, and disciples, parents, business people, and you and me). (Matthew 28:18-20) We are

*"Nothing happens apart from leadership."  
- John Maxwell*

to accomplish the purpose of advancing the Kingdom here on Earth and in Heaven.

There are 5 Critical Attributes of Leadership:

- 1. Deep, abiding, character
- 2. Highly-developed competence
- 3. Clear and compelling vision
- 4. Passionate commitment to the purpose
- 5. Uncommon wisdom

To conclude, followers should ask or question leaders about their:

- 1. Content—Do they do what they are asking us to do?
- 2. Commitment—Do they have the enthusiasm to keep me engaged along the difficult road ahead?
- 3. Character—Do they inspire others to make sacrifices necessary to complete the journey or task?
- 4. Competency—Do they have the ability to get us from here to there?
- 5. Wisdom—Do they have the resources to navigate us through challenging parts of the journey?
- 6. Confidence—They need confidence and we need confidence in the answers to our questions.

Once again, "Communication is the core of leadership."

What should you be doing?  
Caring for you and yours,  
Jim

My Metabolism is Dead!

Samantha Taylor  
Samantha Taylor Fitness

The word "metabolism" is usually associated to how well we lose weight. However, it is much deeper than that. Your metabolism is a series of chemical reactions in your body that are necessary to maintain life, so we all have a metabolism or we would be dead! Even though it is reactions in our body that keep us alive, how well we process food and convert that food into either usable energy or stored body fat is what most are interested in.

We have trained over 6,000 women in my personal training studios with 4 locations and many of them have been in their 50's to 70's. Usually a frustrated woman says to me in our first meeting, "I feel like my metabolism has slowed down so much and I don't lose weight like I used to." In some ways this is true. However, in most ways it's not just age that is the culprit, it's what we have or have not done to our bodies over the years that causes this problem. Being older and out of shape is totally different then being older and in shape!

The two most important factors in speeding up your metabolism are: 1) our bodies become more insulin-resistant as we age, more so dependent on how we eat, and 2) after age 35, we lose about a half pound of muscle every year we don't do something to stop it (you can stop this loss by working out with weights).

So the first one I mentioned was we become more insulin-resistant, and when this happens, our body tends to store more fat. Proof of this is most women as they age see that they store fat more in their belly. The less

our body can process sugar properly and is constantly having to release insulin to bring down the blood sugar because it is constantly spiked with sugar, excess carbs, and gluten, the more our bodies can become insulin-resistant. In many cases this IS reversible, I have seen it happen over and over.

We had a client who was 74 and was pre-diabetic and her doctor wanted to put her on medication. He let her give our program a shot first and within eight weeks, she was no longer pre-diabetic! They were both SO excited! Actually that happened to me four years ago. Even my blood work came back close to being pre-diabetic, and I was so frustrated for I wasn't even overweight. I knew it was from all the sugar, excess carbs, and gluten I was eating and sure enough, now it's perfectly healthy from making some small nutrition modifications.

The second one I mentioned is muscle loss with age and I say with age because when we are younger, we maintain it more naturally. When we age, we have to work at maintaining it or we WILL lose it. The term "use it or lose it" really applies in this situation because muscle loss is one of the fastest things that will age our bodies. When we lose it, we age faster because muscle gives our body shape and helps keep our figure, gives us strength, and helps with balance. You should see some of the women on our website that are in their 70's—they look and feel amazing!

You do NOT want to lose muscle, and ladies I am not talking about being bulky here, just having tone, lean muscles so you can stay young and fit. Having toned muscles is not only good for the shape of your body but good for balance and speeding up your metabolism. Learn more about my programs at [www.SamanthaTaylorFitness.com](http://www.SamanthaTaylorFitness.com). We have a free seminar Oct 28th called "How to Get Unstuck." You can register on our website.

*I feel Good, I feel Fine, I feel this way, All the Time!*

Back to School Physicals

By Karen McBride

Students are back in school and that means after-school sports and activities have begun. If you have not already scheduled your child’s back to school physical or sports physical, it is not too late.

Contact Dr. Michele Johnson-Towson at Pediatric Place of Tampa, a board-certified pediatrician with 28 years of experience in caring for children ages newborn to 21 years old.

As the academic year begins, so does the cold and flu season. Germs are spread quickly through the schools, and children need to protect themselves from illness as much as possible.

In addition to proper sleep and nutrition to boost their immune systems, vaccines are available. Parents are encouraged to get the flu shot, not only for themselves, but for their children. The flu shot, which contains coverage against the influenza A&B strains, is available in proper doses for ages 6 months and up.

According to the Centers for Disease Control and Prevention, “Getting an annual flu vaccine is the first and best way to protect yourself and your family from the flu.”

It is recommended patients should get the vaccine before the end of October, if possible, to allow the body to produce

the antibodies needed to protect itself from the flu.

Pediatric Place of Tampa is located at 1338 W. Fletcher Avenue, Tampa, FL 33612. For more information or to schedule an appointment, call 813-264-2288. Same-day appointments are available (Monday-Friday 8:00am – 3:30pm).

Knowing all too well that families can be in need of a doctor at any time, Pediatric Place offers after-hours/urgent care (Monday-Thursday 3:30pm – 7:00pm; Friday 3:00pm – 5:00pm; Saturday 8:00am – 12:00pm) as a special accommodation to their patients. New patients are welcome and the practice accepts all insurance.

#### Storm Phobia

Is your pet afraid of thunder storms? Does your pet begin to pace, drool, cling tight to you or hide in the closet before or during a storm? If the answer is yes then you are not alone. It is unknown what the exact triggers are for these panic attacks but many suspect thunder, lightning, wind, barometric pressure changes and static electricity. Can your pet grow out of this condition, and is there anything that can be done? Most of the time pets **do not** grow out of this condition on their own, and many pets will get worse as they get older. Fortunately there is help. Depending on your pet, treatment for this condition can take several forms. There are holistic products such as tight fitting garments like the “Thundershirt”, oral treatments like Rescue Remedy, or Pheromone collars and plug in diffusers that disperse a calming hormone. Prescription anti anxiety medications such as Trazadone, Xanax and Valium can be helpful. Behavior modification is the best way to fix the problem but requires hiring a behaviorist, which can be expensive, and they often incorporate prescription medication with training techniques. We have our best results with a management plan that includes some or all of the techniques described above. You should consult with your veterinarian to come up with a plan that best fits your pets needs.

Relationships: It's Complicated, Part 2

Keith Chandler, Journey Christian Church

I want to talk to you about the remarkable power of our words.

The Bible says in Proverbs 18:21, **“The tongue has the power of life and death.”**

Our words can help a relationship grow or die. With words we have the remarkable power of life and death in a family, a marriage, a dating relationship, and everywhere else. Words can be vile and vicious.

**“Blessing and cursing come pouring out of the same mouth. Surely, my brothers and sisters, this is not right!” James 3:10 (NLT)**

Maybe you had people in your life that built you up and spoke words of life to you. Maybe you had the opposite.

In Genesis, God took a situation that was formless and void, and God began to create. He said, “Let there be light, and there was light.” God created the world with words. With your words, you can create the world around you that you want to live in.

Here are 5 types of communication that can be life-giving in every relationship you have in your life:

**1. Affirmation.** There are no neutral words. Ephesians 4:29 says, **“Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.”** Tell your wife how much you love her, tell your husband how much you respect him, tell your children how special they are.

**2. Affection.** We need to be affectionate with those in our lives.

**3. Listen.** Proverbs 17:28 (NLT) **“Even fools are thought wise when they keep silent; when they keep their mouths shut, they seem intelligent.”**

You look so smart and intelligent when you just shut up.

James 1:19 **“Everyone should be quick to listen, slow to speak.”**

**4. Speak the truth in love.** You have to talk about what's wrong, what's not working right in a relationship. You have to talk about wounds and hurts. But don't say those words in a way that frightens or intimidates the other person. You speak the truth in love and you let the Holy Spirit of God change people. Let me give you one more life-giving word.

**5. Prayer.** What do you think might happen in your stuck relationship if you took that person's hand and said, “Let's pray and ask God to help us.”

If you can't grab their hand, then go to God yourself.

Pray and ask God to change you. I wonder how many broken relationships would begin healing today if we just asked God?

**TEEN DRIVER COACHING**

As parents, there is no question that a driving education is one of the best things you can give your teenager. The price of any driving education is small, considering that the skills they learn can **SAVE LIVES!**

**UNCLE GEORGE!**

My daughter recently completed Phase I with "Uncle" George, and I am so grateful that there is a driving coach like him!

I was like you, reading one of these ads in my local Gazette, many, many years ago, and put the ad aside until recently. I always knew I would use his business some day for my daughters. Unlike my older boys, they didn't grow up playing Mario Cart with a steering wheel : ).

But seriously, I knew the "drivers ed" in school was not enough training for them. And like you, I questioned it at first when I saw the cost (I have "Safe Driver" on my driver's license after all didn't I?). I have to tell you George has earned every penny paid him for his wisdom, expertise, demeanor, knowledge and skill (and sense of humor)!

As a behavior analyst who has written many a behavior program plan, (did you know there are more than 20 steps to learn to brush your teeth?!), I still could not have broken down the basics of learning to drive like George.

My daughter has learned, from the very beginning, safe excellent driving skills that will last her a lifetime. She enjoyed her lessons so much she has opted to sign up for Phase II.

Pragmatic Christianity

“Jesus said, ‘A certain nobleman went into a far country to receive for himself a kingdom and to return. And he called his ten servants and delivered them ten pounds, and said unto them, “Occupy ‘till I come.”’” (Lk 19:12-13)

The word translated “occupy” in the text above is pragmateuomai, from which we get our word pragmatic. Pragmatic is to deal with things realistically, based on facts. Here then is the concept Jesus is declaring. “Disciples, I’m going to Heaven to receive the Kingdom. Until I return, be occupied with My business. And while you are, be sensible and realistic in how you approach it, so that I get a good return from your efforts.”

Any good businessman could quickly and clearly answer two questions, “What’s your business?” and “How’s business?” If he can’t, he won’t be in business too much longer.

Jesus call us to self-evaluation on the same two points here. First, what’s our business? What do I actually do with my hours and my days? Do I occupy myself with my Master’s business? Currently, His business is to prepare people for His future business – ushering in the Kingdom of Heaven. To be prepared for that, people must be born again, abiding in Him and His Word (see, John 3:3, 8:31).

So let’s evaluate ourselves on this. How much do I occupy myself with the great business of seeking and saving the lost (Lk 19:10)? Do I focus on being and staying prepared for that great work (I Pet. 3:15)?

Do I pray for the lost and for the revival

of the church (Lk 10:2)? Do I get out among the lost with the truth in love to try and reach them for Christ (Mk 16:15)? Is any of that MY business?

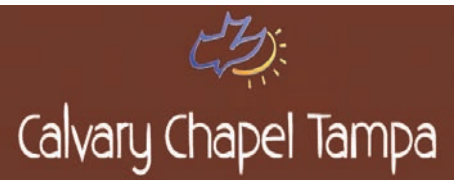

The second issue I need to self- evaluate is, how’s business? If I am occupying my life for Christ’s sake and the gospel, is what I’m busy with making a difference? Can I see lives being prepared for the kingdom in it?

“He was made King and returned home. Then he sent for his servants to whom he had given the money, in order to find out what they had gained with it.” (Lk 19:15)

Oh Christian! The time left is short! Isn’t it high time to get busy with the Lord’s business? Shouldn’t we stop thinking reminiscently about our traditions, and start thinking pragmatically about our mission at a time like this (Lk 16:8)?

What are you doing for the lost? Is it working? Is the same ole’ same ole’ acceptable before God at such a time as this (Lk 21:28)? What do you think? Write me and let me know at [mike@cctampa.org](mailto:mike@cctampa.org). I would love to hear from you.

‘til we finish the race,

Yom Kippur, Day of Atonement

Continued from Page 1

1917—The year of the Balfour Declaration. It was a public statement issued by the British during World War 1. 1917+ 100 years captivity = 2017.

1947—The year Israel was reborn as a nation + 70 years =2017.

1967—The year Jerusalem was retaken by Israel + 50 years of Jubilee/ deliverance = 2017.

2014-2015—Three years ago, another sign appeared in the heavens, the Four Blood Moons by John Hagee.

Just 33 days before, the Revelation 12 sign occurred—Virgo, a woman clothed with the sun with the moon under her feet with the crown of twelve stars above her head birthing the son of man. An eclipse also crossed over the middle of America.

**23rd September 2017**

22nd September 2017 - Yom Teruah Feast of Trumpets

Revelation 12:1-2 (KJV)

A great sign appeared in heaven; a woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth.

A massive iceberg the size of Delaware that broke away from Antarctica on 7/13/17 has no reference to 2017, but as it moves out into warmer waters it will be a part of the great tribulation, affecting rising sea levels.

As we are now entering into the 10 days of Awe, there is an overwhelming feeling of reverence and admiration of God’s presence.

These are days for repentance and to turn to Him more than ever before.

Jesus said as in the day of Noah, so shall it be the coming of the son of man. After enter-

ing into the ark, seven days later the floods came and carried them away. Jesus Christ is our ark and has been open to those who believe and trust upon his coming. Now that a 2000-year-old prophecy has now been fulfilled, know that God has brought us all the way to this point. Let us not turn back or be

dismayed or surprised in such manner.

“He who put his hand to the plow and looks back is not worthy.” Luke 9:62

Remember Lot’s wife. Noah had mockers and scoffers as did Christ. Remember Peter, who walked on water until his faith caved. Know that God would not allow the moon, sun, and stars to randomly align the way they were, but for the only purpose for us to have the opportunity to repent and to focus on His coming. So let your light shine before all to see and bring glory to our Father which is in heaven. September 29-30, 2017 is Yom Kippur, the Day of Atonement and the holiest of holy days of the year, where we are closest to God and the quintessence of our soul, for he will forgive and purify you.

Leviticus 16:30. Amen.

Under God’s Control

By David Wilkerson

In these last days, the Lord’s eye is not fixed on world powers but on the church of Jesus Christ. God is not focused on the economy, on the rise of world religions, on the roaring of the heathen. According to Isaiah, the nations are to God “as a drop of a bucket” (Isaiah 40:15). They are all under His sovereign rule and reign. God knows all about terrorist threats, wars and rumors of wars. His Word warns that the heathen will rage, secular powers will try to outlaw Christianity, and fast-growing, anti-Christ movements will boast

they’ll rule the world and destroy Jesus’ followers. The Bible says this about it all:

“The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us” (Psalm 2:2–3). In short, “Let’s cast away all moral hindrances, all moral landmarks of the past.”

Here is God’s reaction to these earthly powers and demon-influenced men: “He that sitteth in the heavens shall laugh: the Lord

shall have them in derision” (2:4). No matter how desperate things look, everything remains under God’s full control.

I’m thankful for this word from the Psalms. More and more, we hear reports of secularism wiping out the evangelical church in Europe; of Islam being the fastest growing religion in the world; of homosexuals hijacking entire denominations; of Christ’s church growing so weak it no longer has any impact on society. Yet God’s Word declares, “On Christ the Rock God will build His church.” “The gates of hell shall not

prevail against it” (Matthew 16:18). Nothing from the bowels of hell can hope to destroy Christ’s church. His eye is always on His people, and through everything He warns Satan and his hordes, “Do not touch the apple of My eye.”

“Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake” (Isaiah 54:15). Do you see what God is saying here? “The devil is going to come at you. Enemies out of hell will gather together against you. But Satan will not succeed.”

## Pure Health & Fitness Studios

Samantha Taylor

"I've been one of their longest-running advertisers for thirteen years and have been absolutely amazed with my experience. This paper has been the BIGGEST factor God has used for my success as a Personal Trainer and Weight Loss Expert.

Thanks to THIS paper, it's contributed to me successfully training over 4,500 women. Even though I got calls from day one, the thing I've been lately amazed with is how many loyal readers this paper has. I get calls from people that have been reading my articles for years and since they are now ready to get in better shape and better health, they call me because I've been the trusted source they've seen for so many years in THIS paper.

Even in tough times, I've never, nor will I ever, stop advertising in this paper. It's been a tool that has built my business to be one of the most successful Personal Training Studios around. Thank you, Dunndead Publications! I wouldn't have done it without you!"

As a longtime advertiser in Dunndead Publications, I just wanted to say thanks for your years of service. I've met so many great readers over the years, many who use our services year after year. Advertising in your publications is probably the sole reason my Palm Trimming business has succeeded over the years. It's the only place I gladly pay for advertising year after year. Thanks Kay for all the great service over the years, and I'm looking forward to many more years of advertising with you!
