There were, in the same country, shepherds abiding in the field keeping watch over their flock by night, and lo, the angel of the Lord came upon them and the glory of the Lord shone round about them, and they were so afraid.

The angel said unto them, "Fear not! For behold, I bring you tidings of great joy which shall be to all people, for unto you is born this day in the city of David a savior which is Christ the Lord, and this shall be a sign to you: you shall find the baby wrapped in swaddling clothes lying in a manger."

Suddenly, there was a multitude of angels of the heavenly host praising God and saying, "Glory to God in the highest and on earth peace and goodwill toward all men."

That's what Christmas is all about, Charlie Brown!

The Celebration of Christmas

Christmas is a celebration to remember the birth of Jesus Christ, who Christians believe is the son of God. It is celebrated around the world whether people are Christians or not. It's a time when family and friends come together and remember the good things they have, especially children because of the tradition of receiving gifts.

The name Christmas comes from the Mass of Christ or "Jesus". A Mass service, which is sometimes called Communion or Eucharist, is where Christians remember that Jesus died for us and then came back. The Mass of Christ was the only one that was allowed to take place after sunset and before sunrise the next day, so people had it at midnight! This was called Christ-Mass and later was shortened to Christmas.

Cornerstone Pros—Air Conditioning, Plumbing, and Electrical began as an air conditioning service company in 2006 and added plumbing and electrical for a one-stop business. When Dana Spears took the reins, there were only 6 employees. It's rare to see a woman at the top of a typically male-oriented business.

"We felt there was a demand for an honest, reliable, customer service-oriented air conditioning, plumbing, and electrical business in the Tampa Bay area," says Dana, who manages the business while her husband, James, runs the operations. In addition to her husband, Dana's mother Dolores, daughters Morgan and Hannah, son Josh, son-in-law to be Michael, and Ronnie work at Cornerstone.

The family-owned business has grown to over 60 employees and now services cooling & heating, plumbing, and electrical. Cornerstone services residents and businesses throughout Hillsborough, Pasco, Hernando, and Pinellas counties.

For the last 6 years, Cornerstone has scored the highest ratings on Angie's List, an A+ rating with the Better Business Bureau, received the Brighthouse Business Award, and received the Central Pasco Chamber of Commerce Large Business of the Year Award for 2016. One of the keys to the success of the business are the employees and the care Dana takes in hiring.

She knows the importance of having trustworthy technicians that customers will feel comfortable with entering their homes.

The technicians are certified in their field of expertise. Cornerstone makes every effort to ease their client's concerns, and the technicians will take the time to answer any questions the clients may have without all the technical jargon, so the client has a clear understanding of what needs to be fixed.

The technicians take pride in their workmanship, and the work is covered under warranty.

Cornerstone is always diversifying with products to help meet the homeowners' needs. A highlight they are focusing on in 2018 is water treatment and whole home generators.

When it is time to replace or repair a product, the sales team will not pressure you into buying products you do not need. Their team is honest, fair, and straightforward. Cornerstone uses only quality products and offers financing for its affordable equipment.

In addition to repair and replacement, Cornerstone has a separate department for preventative maintenance and cleanings for air conditioning, plumbing, and electrical. One of the keys to lowering your cooling bills and reducing the risk of problems is with routine maintenance checks.

Cornerstone knows that problems occur at the most inconvenient times. Plumbing issues can happen on the day of the big party, or a breaker trips, or your air conditioning fails to cool when you get home from work. The phones are manned 24/7 and technicians are available to service your equipment even on weekends and holidays.

Cornerstone is located at 4946 Land O' Lakes Boulevard, Land O' Lakes, FL 34639. To schedule an appointment, call 813-990-0155 or you can visit their website at anytime online for further information at <https://cornerstonepros.com>.

Jesus Qualified You To Be Healed!

up residence in your spirit, which has been washed clean by the Word of God and made a suitable habitation for Him to dwell in.

This is why you can approach the throne of God in prayer and He sees you clothed in Christ's robes of righteousness. You see, God looks at your spirit, the real you, when He looks at you. This truth is corroborated by John's words in John 3:6. "That which is born of the flesh is flesh, and that which is born of the Spirit is spirit."

More about our new spiritual reality is revealed to us in 2 Cor. 5:7 – "Therefore, if anyone is in Christ, he is a new creation; old things have passed away; all things have become new."

In addition to being a new creation, it is revealed in Col. 2:9,10 that we are now complete in Him. "For in Him dwells all the fullness of the Godhead bodily; and you are complete in Him, who is head of all principality and power."

The next fact about our new spiritual condition will explain two verses that unbelievers think is a contradiction in the Scriptures. Keep in mind that John the Apostle understood Paul's revelation that we are made up of spirit, soul, and body. In John's first epistle, he is referring to our soul when he says in 1 John 1:8, "If we say that we have no sin, we deceive ourselves, and the truth is not in us."

The moment you were saved/born again, your spirit became holy, but you still had the same soul and body. In order to follow the Lord as one of His disciples, you must begin the process of being transformed by the renewing of your mind. Your mind is one of the main functions of your soul, another is your emotions. Your mind has to be renewed to God's thoughts and ways, and then you are empowered to live uprightly before Him.

I conduct healing services on Thursday nights at Life Christian University. When we first started last year, the Lord prompted me to let all the people know that they qualify to be healed because Jesus qualified them.

You see, often when we are trying to help people receive the healing power of God, we have to deal with potential hindrances to receiving healing. If we are not very careful while doing this, many people's imagination runs away with them and they begin to mentally disqualify themselves from receiving healing. This comes from a tendency to condemn oneself based on a misunderstanding of righteousness.

Let me make a case for how Jesus qualified you to be healed.

First, you must understand that God has always been a healer of His people. Under the Old Covenant, He protected them, He provided for them, and He healed them. Now, under the New Covenant, Jesus has made a way for everyone who is part of His kingdom and His family to be protected, provided for, and healed.

The first thing that Jesus did was to provide the way for the Holy Spirit to dwell in His family members. This happens as soon as we are born again. You see, the Apostle Paul revealed to us that we are made up of three parts: the spirit, the soul, and the body (1 Thes. 5:23). You are a spirit, you have a soul, and both spirit and soul live in the body. When you confess Jesus as your Lord, the Holy Spirit takes

Light Up the Night

Written by Anne Childers

The Pasco County Sheriff's Office, community businesses leaders, and concerned citizens are coming together January 20, 2018 for the third annual Light Up the Night to focus a spotlight on the exploitation of human beings for commercial sex, forced labor, or involuntary servitude.

Light Up the Night, sponsored by the David Maus Foundation, will feature a 5K Race/Walk at Pasco Hernando State College Porter Campus followed by the main event at The Shops at Wiregrass, upper level parking deck. Educational materials, music, vendors, a kid's zone, and a concert will make this occasion enjoyable for all ages. The Race begins at 4:30pm and the live concert begins at 6:00pm.

Human Trafficking is the second largest criminal enterprise worldwide, ranking only behind illegal drugs and netting billions of dollars annually. It is estimated between 500,000 and 2 million individuals are trafficked annually worldwide with an estimated 15,000 to 18,000 being trafficked in the United States every year.

Sadly, the #1 consumer of human trafficking is the United States of America. The state of Florida is #3 in the nation as a destination for the innocent victims of these despicable crimes, and the Tampa Bay area ranks between 2nd and 3rd in the state.

Traffickers frequently target children, boys and girls, between the ages of 12-14, and most of these children are American citizens. The average age of survival in this brutal environment is seven years. If and when a child is res-

cued from the lifestyle, rehabilitation in a safe house is a long term investment financially and emotionally. Proceeds from Light Up The Night will benefit six local non-profits dedicated to the recovery of trafficked individuals.

Plan to attend and learn what you personally can do to recognize victims right here in our own communities. Force, fraud, and/or coercion are most often used to control a victim. Possible indications of human trafficking include, but are not limited to:

- Constantly accompanied by a controlling person or boss
- Bruises, depression, fear, overly submissive
- Lack of control over personal schedule, money, identification, or travel documents
- Transported to and from work, lives and works in the same place.
- Debt owed to employer/crew leader, unable to leave job

If you think you have come into contact with a victim of human trafficking, do not become involved personally, but do call one of the professional services trained to recognize and rescue victims.

The National Human Trafficking Hotline at 1-888-373-7888, The U.S. Department of Justice Hotline at 1-888-428-7581, the Florida Abuse Hotline at 1-800-96-ABUSE (22873), the local Clearwater/Tampa Bay Area Task Force Hotline at (727)562-4917 or 911. Calling All Elves!

As the Holiday season quickly approaches, it is time to remember those among us in our communities who have suffered life changing events, injury, illness, or those who are disabled. These individuals, requiring care, will be spending the season in care facilities. "Elves for Elders" is a program created to provide these seniors, veterans, and disabled adults with the items they are in need of, as a gift, so that they too can share in the spirit and joy of the season!

Aging Solutions, Inc. is a non-profit organization that provides legal guardianship services to these individuals without charging. Aging Solutions serves individuals in Hillsborough, Pasco, Pinellas, Manatee, and Bre-

vard Counties. We are currently serving over 300 individuals. The items that they need replaced are simple items that we often take for granted such as clothing items, hygiene items, shoes, sensory and social stimulation items, books to read, and activity books.

There is also a gift fund if you would like to make a monetary donation. Those funds go to cover the cost of medications, transportation, and other harder to find personal items or adaptive equipment. We thank you for considering "Elves for Elders" during this most wonderful season of giving.

Please visit our website at <http://www.aging-solutions.org/elvesforelders.html> or contact Aging Solutions, Inc. at 813-949-1888.

Help a Child for Christmas

It's that time of year! Carolers caroling and trees getting trimmed. Our children love Christmas. The number one question that people ask us this time of year is how they can help a child at Hope this Christmas. We've narrowed it down to 3 easy ways that anyone can help.

The first way to help this season is through our general wish list. These are items that the House Parents and staff have decided that the child might need or want throughout the year. These are items like clothing – things that the children may not ask for Christmas but are things that are a huge blessing to us during the year when the child might need those socks or underwear. We have also created gift registries to places like Walmart and Amazon where you can purchase those items, and have them sent to us or drop them off. The second way to get involved is by donating gift cards. Our children LOVE getting gift cards! After Christmas, we load up the buses, head to the mall, and use those gift cards to buy things that they want

or need throughout the year. Lastly, you can give a financial gift. It takes a great amount of finances to take care of all these children and facilities – not only at Christmastime, but all year-round. Each financial gift will help us as we continue to rescue the next generation of abused, abandoned, and neglected children throughout the year. Thank you so much for your desire to help and Merry Christmas!

Preventative medicine is the key to keeping your pet healthy in order to enjoy their company for a long time. The resort offers a complete plan for maintaining your pet's good health, from dental visits to vaccinations.

A trip to the vet can be an expensive visit. However, the monthly wellness plans are very reasonably priced. The monthly plans start at \$39.95 for cats and \$49.95 for dogs. Faith Goal Setting

James H. Willis, III

Jim@TheWillisAgency.com

1 Peter 5:7

Ha! This is a big topic that very few people accomplish. Now I know we normally might talk about goals for the New Year. Well, in many lives we might begin a new school year with goals or plans goals for the “Snowbird” season, and some companies set goals for their new business year. So let’s view this as a “Goal Tune-Up!”

Goal setting is an ongoing process which serves as the basis for Life Planning. May I add that the process of goal setting is more important than the actual goals. Yet it is estimated that only 3% of Americans actually set goals—written goals. The reason this is so important for Christians is because it helps identify the “Biblical Stewardships” that are to be used as God-given gifts and resources (time, talents, treasures, truth, relationships, etc.) for the accomplishment of God-given goals and objectives.

Why Should We Set Goals?

1. They provide direction and purpose.
2. They help us to crystallize our thinking.
3. They provide personal motivation.
4. They are a statement of God’s will for us.

Why Don’t We Set Goals?

1. Fear of Failure.
2. Concern that it takes a great deal of time.
3. Lack of knowledge of how to set goals.
4. Lack of understanding of what goals to set.

So, as you can see, we are not just looking at setting goals from the world’s motivational speakers’ mindsets. We are setting “Faith Goals” or “An objective toward which I believe God wants me to move.”

I feel I need to emphasize the word “faith” by a couple of definitions:

- “Faith” is acting on the basis that this is what God wants me to do.” —Ron Blue
- “Faith is acting on the belief that the Bible is true in spite of my feelings and experiences to the contrary.” —Ken Boa
- Faith is not the denial of reality, but the acceptance of a greater reality.” —Beth Moore

This “Faith Goal” has 2 parts: my part and God’s part. So here is the question:

How do I set a Faith Goal?

1. Spend time with God.
2. Write down your impressions.
3. Make it measurable. (It is not a goal until it is measurable. At best it is a good intention.)
4. Take action or take the first step.

I will end with one more encouraging quote: “A dream is just a dream. A goal is a dream with a deadline and a plan.” —Harvey Mackay

What are your “Faith Goals?”

Caring for you and yours,
Jim

I Can’t Do This On My Own

another second! I know I need help, I can’t do this on my own.” It’s in that moment of frustration that can actually be your greatest step towards victory because you are fed up.

Actually being fed up with your current situation can be a good place to be because that is when you are most likely to do something about it. I heard someone say, “You will never change what you tolerate.” That is SO true because if you tolerate it or put up with it, then it will stay the same.

So you have to ask yourself, “Am I fed up enough with the results I have had on my own to do something about this?” If so, congratulations, that is a good place to be!

It actually takes strength to admit you can’t do it on your own, not weakness. It takes realizing you are sick of wasting time and sick of not seeing the results. It’s okay to get help, it’s actually a good thing because you can expediate your results.

I know everyone is busy in December, but I encourage you to take action this month instead of waiting until January. We are going to give you a HUGE special on our programs, so let’s talk. This is only for readers of this paper, so make sure you mention it when you see us.

If you are ready to stop being frustrated and start getting results, then I would like to give you a Body Transformation Analysis. We will show you some tips on nutrition and map out a plan for how we can achieve your goals together.

The Cold and Flu Season is Here!

Written by Anne Childers

Dr. Michele Johnson-Towson is a board-certified pediatrician with 26 years of experience in caring for children ages newborn to 21 years old. The doctor is encouraging patients to schedule now for flu shots. Vaccines are available and same-week appointments are possible.

Dr. Johnson-Towson and her staff are dedicated to keeping patients both healthy and educated on changes in children's healthcare. The live attenuated nasal flu spray vaccine is not recommended this year due to the Center for Disease Control (CDC) failing to prove it was adequate enough over the last 3 flu seasons to keep patients from contracting the influenza A (H1N1) type virus.

Normally, it is recommended for patients ages 2 to 49 that are healthy without underlying medical problems. The flu shot, which contains coverage against the influenza A&B strains, is available in proper doses for ages 6 months and up.

Tampa Bay students have been back in school for several weeks, sharing germs right along with academics and sports. Be sure to call Pediatric Place of Tampa and schedule checkups and physicals to keep your whole

family healthy. It is important for shots to be up-to-date and hearing and vision tests current so students are ready for learning and healthy playing.

Pediatric Place of Tampa accepts all insurances as well as self-pay patients. New patients are always welcome! Pediatric Place of Tampa is conveniently located at 1338 W. Fletcher Avenue in Tampa. The cheerful, kid-friendly office is on the bus line, too. Call today at 813-264-2288 and schedule for protection against the flu season!

Holiday Dangers for Pets

The holiday season is fast approaching. It is important to be aware of some common pet dangers during this wonderful time of the year. Unhealthy treats, toxic plants and dangerous decorations top the list.

Holiday Food Dangers

Chocolate: Chocolate (of any type) can be toxic and sometimes deadly to dogs.

Xylitol: Xylitol is an artificial sweetener found in many sugar-free baked goods. It can cause hypoglycemia and your pets blood pressure to drop to dangerous low levels.

Turkey Bones: Ingested turkey bones can splinter and puncture internal organs.

Rich, fatty foods: These types of foods can cause pancreatitis-a life threatening disorder that presents itself with vomiting, diarrhea and abdominal pain.

Toxic Plants

Mistletoe & Holly: Holly, when ingested, can cause pets to suffer nausea, vomiting and diarrhea. Mistletoe can cause gastrointestinal upset and cardiovascular problems. If you have a real Christmas tree be sure that your pet cannot drink the tree water as it contains large amounts of bacteria. Poinsettia's are toxic.

Decorations

Make sure your tree is securely fastened so your pet cannot pull it down. Electrical cords should be turned off and unplugged. Avoid tinsel and stringing popcorn as they can cause intestinal obstructions.

Let it Go: Envy

Keith Chandler, Journey Christian Church

Not letting go can devastate our relationships. Researchers are discovering that many of the problems we have physically are a result of us not letting things go emotionally. Pastor Craig Groeschell says, "The fastest way to kill something special is to compare it to something else."

You know that's true. Here's the problem. The moment we begin to do that, one of two things happen: we either feel superior or inferior, and NEITHER honors God.

There's a story in Scripture about the apostle John and the apostle Peter in John 20. The Bible is so honest because it lets us know all the ridiculous things they do.

When you read about their interactions with Jesus, you hear one say, "I get to sit next to Jesus," and the other one is saying, "Jesus, do you think I'm the greatest?"

I say this with all due respect that the apostle John might have been a little annoying.

Here's why I say that: he refers to himself in third person. He refers to himself as "the one Jesus loved."

It's similar to when Moses, who wrote much of the Old Testament, said, "Moses was the most humble man around." That's funny! Read John 20.

"A group of woman were going to the tomb after Jesus death to prepare the body with spices to help it decompose better. So Peter and the other disciple started out for the tomb. They were both running, but the other disciple outran Peter and reached the tomb first." John 20:3-4

Yeah, yeah, Jesus is risen, but I'm faster than Peter. Let's get that written down, okay?

"Then the disciple (In case you've forgotten) who had reached the tomb first also went in." John 20:8

Fast forward a little. They have a meal with Jesus. Then the disciple Jesus loved (John) said to Peter, "It's the Lord!" In other words,

"I'm the first to notice it's Jesus!"

"When Simon Peter heard that it was the Lord, he put on his tunic (for he had stripped for work), and jumped into the water." John 21:7

This is where the story moves from funny to really powerful. Jesus predicted Peter would deny him three times. Peter is thinking, "I NEVER had a chance to tell him I'm sorry."

Peter and Jesus start this walk along the seaside; and Jesus looks at Peter and asks him. "Do you love me?" Peter says, "You know that I do."

Did you catch the irony here? Three denials, three questions.

"Peter turned and saw that the disciple whom Jesus loved was following them." John 21:20

Peter and Jesus are having this important conversation, and John's walking behind them trying to listen. "You guys talking about me?"

"When Peter saw him, he asked, 'Lord, what about him?'" John 21:21

What's he gonna do? What Jesus says next has the power to break the spirit of envy in us all.

"Jesus answered, 'If I want him to remain alive until I return, what is that to you? You must follow me.'" John 21:22

If I have a job for him that is better than yours, what is that to you? YOU follow me. We cannot faithfully follow Jesus if we're always comparing ourselves to somebody else. When you're looking around and you see somebody's talent. Stay in your lane.

You see somebody else's house or car, you stay in your lane. You see somebody else's life; you stay in your lane. What is it to you how God blesses other people? You follow Jesus.

Until next time,
Keith

Professional Driving Coach

Training your teen to be confident, cautious and safe behind the wheel takes more than a few laps around a parking lot or hours on a website. It takes dedicated, professional coaching in real world driving situations.

THANK YOU SEEMS SO TRITE,
BUT THANK-YOU!

Dear George,

I just want to say that I am thankful beyond words for you teaching Austin to drive safely and defensively. You took his abilities and his confidence to an unfathomable level....if someone had told me after just 10 hours of driving, that he would be driving around the airport area, on the expressways, through downtown and over the bridges to Pinellas County, up to Brooksville and all around town, I would not have believed it. **As a mental health counselor, who works with teens, I see parents spend thousands of dollars on their teen's baseball, football, dance, soccer, volleyball etc. activities and private lessons, myself included.** I believe your services are worth the money beyond what words can express...an investment in Austin's safety, that he will carry with him throughout the rest of his life. Thank you seems so trite, but thank you! I truly believe that what Austin has learned from you (things I didn't even know myself) will save his life.

A Traditional Christmas

A traditional Christmas - the phrase brings with it many familiar images: trees with bright lights and garland, carols in the air, gifts wrapped in brightly colored paper, fun with friends and family, and so much more. But that is not the traditional Christmas I'm referring to.

The one I'm thinking about occurred more than 2000 years ago. It was the original Christmas, the day of the Christ-Child's birth. We find the story in Luke 2:1-20. It paints a very different picture from the one we recall when we hear the words "traditional Christmas."

It was a difficult time for Joseph and Mary. When most expectant mothers would be sheltered in preparation for childbirth, they were forced to leave home and make an arduous journey to a small village outside of Jerusalem. On the night of Jesus' birth, they found no sanctuary, had few provisions, and

no family or friends present. It was not a time of bright lights, brightly colored packages, happy songs and loving friends. It was a scary, lonely, very difficult time.

You may be facing a similar Christmas. Maybe there is no money for celebration. There are no family or friends to share the season. Times are difficult, the world seems hostile, people indifferent, and loneliness overwhelms the heart. You may feel totally disconnected from Christmas, but you are not. You are at the heart of Christmas. This was the Christmas of Joseph, Mary and Jesus. God sees you and He cares.

On that first Christmas night, there were no bright lights or candles in the stable, but God placed a bright star in the sky. There was no one to sing carols, so He sent His angels to proclaim the Glad Tidings. There were no friends to celebrate, so He found some lonely shepherds and asked them to go. There were no gifts to share, so He sent Wise Men from the East.

He can do the same for you. It may not look like a "traditional" Christmas, but it can be a wonder-filled time. The Christ-Child can place His Light in the midst of your darkened situation. He can cause His Spirit to sing songs deep within your heart. He can send His angels to keep you company. And, He can give you the gifts of joy, love and peace.

I pray we will all experience a traditional Christmas this season, one filled with wonder in the presence of a Savior born as a Babe in a Manger. Merry Christmas!

Christmas: An Amazing Time of the Year

It is a time to celebrate the birth of Christ. One of the ways we do that is by giving and receiving gifts, and as we do, it reminds us that Jesus is the greatest gift of all.

Pure giving is one of the most beautiful things that we do, and I always encourage people to make every day Christmas as far as giving is concerned. Let's live in the spirit of Christmas all year round!

If you just open up your eyes and look around, you can see that it's true. There is nothing that lights a person up like Jesus. He puts so much joy in your soul!

Without Jesus, we would have no love or compassion to share with others. But because He lives in us, we can shine the light of His love throughout the entire world.

That is the purpose God has for us. In other words, he has chosen us to shine his light in the world. It's very encouraging to know God doesn't expect us to be perfect before his love and light can shine through our lives. You could say that you and I are like cracked pots.

We will always have weaknesses and imperfections, but we never have to hide them from God.

The light of God actually intensifies in us as we allow him to work in us. There are so many ways to shine his light. It can be as simple as wearing a smile. As you go about your daily life, especially during this special season of celebration,

I encourage you to let aside a portion of your time, energy, talents, and resources to share that light and serve others. After all, this is what Christmas is really all about.

Just as Jesus came to love and serve all of us by giving the greatest gift, his very life, we can give of ourselves because His life and light is in us.

He is Emmanuel, God with us!

The Celebration of Christmas

Continued from Page 1

No one knows the real birthday of Jesus, for no date is given in the Bible, so why do we celebrate it on December 25th? It was during the time of the Roman Emperor Constantine, who defeated Roman Emperor Maximinus at the battle of Milvian Bridge in 312. After saving the Christians who fled into Italy from Maximinus, Constantine became the first Christian Roman Emperor.

The first recorded date of Christmas being celebrated on December 25th was in 336, during the time of the Roman Emperor Constantine. He was the first Christian Roman Emperor. Years later, Pope Julius officially declared that the birth of Jesus would be celebrated on the 25th of December.

Though there are many different traditions and theories as to why Christmas is celebrated on December 25th, early Christian tradition says that it was the day Mary was told that she would have a very special baby, Jesus. This is called the Annunciation, which is still celebrated today on the 25th of March.

But December 25th might have been chosen because of the winter solstice, a day which had the shortest time between the sun rising and the sun setting, meaning winter was over and spring was coming. The ancient pagan Roman midwinter festival called 'Saturnalia' was a festival that took place that honored the Roman God Saturn, called 'Dies Natalis Solis Invicti,' and took place around this date in December, when people were already celebrating these things. Most of us celebrate Christmas as the first coming of Jesus as a lamb, a baby boy. And he said "I will go and make a place for you."

NBC news reports Donald Trump is shutting down his charitable Foundation, that had assets of \$970,000. The Pope gets a special edition Lamborghini and the Russia story gets worse, and you just really can't say "fake news" any more. They say that the 1% wealthiest only have 1 Vote, the same as me. I really don't want to look like I am colluding with them. Maybe this is a good time to change my voting registration to another party. At least until I'm feeling better. And who is that Billionaire Tom Steyer guy?

Sure, Charlie Brown, I can tell you what Christmas is about...

YOU DIDN'T LISTEN TO A SINGLE WORD OF MY CHRISTMAS SPEECH! DID YOU CHARLIE BROWN?

NEED to IMPEACH

Donald Trump has brought us to the brink of nuclear war, obstructed, in direct violation of the constitution, and taken money from foreign governments. Threatened news organizations, that report the truth. If that isn't a case for impeachment to remove a dangerous president then what has our government become? I'm Tom Steyer, it's up to us to do something and this is why I am funding this effort to raise our voices together, that our elected officials take a stand. A Republican Congress once impeached a president for far less. Yet, today Congress and his own administration know that this president is a clear and danger who's mentally unstable and armed with nuclear weapons, and they do nothing. Join us, at NeedToImpeach.com and tell Congress that they have a moral responsibility to do what's right. Our country depends on it.

"I've been one of their longest-running advertisers for thirteen years and have been absolutely amazed with my experience. This paper has been the BIGGEST factor God has used for my success as a Personal Trainer and Weight Loss Expert.

Thanks to THIS paper, it's contributed to me successfully training over 4,500 women. Even though I got calls from day one, the thing I've been lately amazed with is how many loyal readers this paper has. I get calls from people that have been reading my articles for years and since they are now ready to get in better shape and better health, they call me because I've been the trusted source they've seen for so many years in THIS paper.

Even in tough times, I've never, nor will I ever, stop advertising in this paper. It's been a tool that has built my business to be one of the most successful Personal Training Studios around. Thank you, Dunndead Publications! I wouldn't have done it without you!"

Chris Tillman

As a longtime advertiser in Dunndead Publications, I just wanted to say thanks for your years of service. I've met so many great readers over the years, many who use our services year after year. Advertising in your publications is probably the sole reason my Palm Trimming business has succeeded over the years. It's the only place I gladly pay for advertising year after year. Thanks Kay for all the great service over the years, and I'm looking forward to many more years of advertising with you!

Jesus Qualified You To Be Healed!

Continued from Page 2

The reality that John is referring to is that no one has ever become perfect in his or her soul. You will sin in your mind and probably your body sometime between now and when you die. No one, not even the Apostle John and the Apostle Paul, has ever become perfect. As hard as it is for some to imagine, even the mother of Jesus, Mary, never arrived at perfection in her soul. She was a human being just like you and me. As much as we Christians would like to become perfect in our souls, that simply will not happen until we leave our earthly bodies and enter into heaven. Your soul will always have some doubts and fears and will be tempted by sin until you are in Heaven. None of those negative earthly weaknesses will be

allowed in Heaven. You will be permanently delivered from them when you get there.

But John goes on to say in 1 John 3:9, when speaking about our spirits, "Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God." John knew that your soul would not become perfect and sinless, but since your spirit is the "whoever" that is born of God, it has already become perfect and cannot sin because the Holy Spirit's seed dwells within you.

How deep does this union with the Holy Spirit go, and how qualified to receive God's blessings are we? 1 Cor. 6:17 gives us some insight here. It says, "But he who is joined to the Lord is one spirit with Him." This reminds us

that God calls a husband and wife joined in holy matrimony "one flesh" in Gen. 2:24 and 1 Cor. 6:16. Now Paul refers to those joined to the Lord in the new birth as "one spirit."

I fully believe that when God looks at each one of His Christian children and He sees your spirit with the Holy Spirit living within, that it is difficult to see where the Holy Spirit leaves off and where your spirit begins.

In other words, He sees you holy and acceptable because of the gift of righteousness that Jesus provided for you. He has qualified you for receiving all of His blessings; He has qualified you to receive healing.

In addition, He sees the divine purpose for which He put you on this earth, and He knows

that you need a long, healthy life in order to fulfill your divine destiny!

My Life Is To Glorify God!

Matthew 6:9

This, then, is how you should pray:

Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on Earth as it is in heaven. Give us today our daily bread. And forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one.
