When the Devil Goes to Church

Some people think if you have a Bible the devil is going to run, or when he sees a church he goes in the other direction. No, the devil is not afraid of church. He just wants God's position, to be the object of worship, causing conflict and confusion among God's people.

Acts 20:29-30: "I know that after I leave, savage wolves will come in among you and will not spare the flock. Even from your own number, men will arise and distort the truth in order to draw away disciples after the."

Matthew 7:15: "Beware of false prophets who come to you in sheep's clothing, but inwardly they are ravenous wolves."

Jesus said in the last days in Matthew 24:5-6:

"For many shall come in my name, saying, I am Christ, and shall deceive many. And ye shall hear of wars and rumors of wars, see that ye be not troubled, for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom, and there shall be famines, and pestilences, and earthquakes, in diverse places."

Matthew 24:20-21 "But pray ye that your flight is not in the winter, neither on the Sabbath day. For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be."

Helping Thousands of Women Get Fit *By Karen McBride*

Here is a picture of the new building. It's off of SR 56, a mile east of I-75 at 26908 Ridgebrook Drive, Wesley Chapel.

Samantha Taylor became interested in a healthier lifestyle over twenty-six years ago. She met her husband when she was just 17 years old, and he brought her to a gym for the first time.

“My husband started dragging me to the gym, because I had never worked out before. He was my first and only personal trainer,” said Samantha.

That was the beginning of a new journey. After getting her certification as a personal trainer, she began her career by offering personal training. There was such a need for people to change to a healthier lifestyle, and the company quickly grew for it was apparent that women wanted a more personal approach and felt more comfortable at a ladies-only studio.

Samantha left a large corporate gym 15 years ago to open her first fitness studio. Then 4 years ago in Land O’ Lakes, she found a commercial building on a beautiful lake. As they work out, members are surrounded by nature’s beauty, including a family of Sandhill cranes.

Now her other locations include Wesley Chapel, Carrollwood, and Westchase, with a fifth studio opening in Palm Harbor in mid-July.

“We are also excited to announce our new

Wesley Chapel location. We just built our own building, a project we have been working on for 2 years and have moved in!”

Since opening the first studio, over 6,000 women have come through the doors and transformed their lives through exercise, nutrition, and new friendships. Friendships are formed through group workouts and planned social events including cooking classes, paddle board, kayaking, and bowling.

Members can choose from personal training, which offers a more private, customized training (either one-on-one, semi-private or small group) or participate in a fitness boot camp led by personal trainers. The boot camp offers a faster paced, more intense large group workout. Beginner workouts are also available.

Fitness is not only about working out. What you eat is another essential component to a healthier lifestyle. Samantha Taylor Fitness offers simple and delicious eating plans with recipes to make in your own kitchen.

Also, affordable food plans can be ordered and delivered straight to your home. Nutrition seminars, which are free and open to the public, are offered monthly. The next Nutrition Seminar is July 20.

Four years ago, Samantha had given up sugar for her 40th birthday. It wasn’t easy, but she quickly became aware of the benefits. She got very serious about her food and lived with integrity. After eliminating sugar from her diet, within a few weeks, her mental clarity and focus increased. She is practicing what she preaches.

“We show people how to eat healthy and not be on restrictive diets. I used to be a former food junkie and used to struggle with food myself, so I know what my clients are going through.”

Samantha Taylor Fitness believes in giving back to the community. Each month, they partner with a different charity. Recently, they donated dog food to seeing-eye dogs and raised funds for autism awareness. This month, members donated to “Bricks for Schools”, which collects bricks for building schools.

When my personal training career started in this area over 17 years ago, Mark Dunn called me and asked if I wanted to be a part of it. I was new in business here but knew I had to get my name out there, so this was the first media outlet I had ever advertised in. As people started to hear about what I offered, through THIS paper, my name started to get out in the community, and in a few years I became the #1 producing personal trainer in the large gym I was in, out of 2,000 trainers!

When it was time to go out on my own, God used THIS paper to give me the confidence that I could find clients outside of that gym. I knew I must, because I wanted to create an environment for women that didn’t want to be in a gym. That wanted a safe place they could work out and not feel judged. I also enjoy catering to Christian women who liked that our studio cared about that.

Now we have trained over 6,000 people, have 17 trainers, won the Small Business of the Year Award by the Chamber, give free seminars to the community, and started a meal prep service delivered to your home. We opened our 5th location in Palm Harbor, and we just moved our Wesley Chapel location into a new building that we own. We also have Land O Lakes, Carrollwood, Westchase, and more to come!

I thank God for bringing this paper into my life, and I am SO grateful, for they helped give me the original confidence that I could build this business, and look what its turned into and the amount of people we serve! The owners, Mark and Kay, are some the nicest, most genuine people you’ll ever meet and I appreciate how they honor Jesus Christ in this paper. It’s such a blessing to partner with them, and I’m happy to know that I am the longest advertiser in the last 17 years!

Encountering the Real Jesus: Uncertainty *Keith Chandler, Journey Christian Church*

Today’s article is for anyone who has ever had doubts.

I’ve found (for the most part) when you’re not sure about God it’s usually not an intellectual thing. When we are unsure about God, it’s usually a circumstantial thing. There are certain circumstances in your life that just don’t make sense. Something happens that rocks your world and your faith.

A little background will help us understand what is going on. Herod the Great was the King of Israel when Jesus was born. He’s the one who tried to have Jesus killed as a child. In the process of trying to kill Jesus, he killed all of the baby boys two years old and younger in Bethlehem. He was so paranoid that someone would take over his thrown he murdered two of his wives, three of his sons, and his mother-in-law. Some of you may have THOUGHT about killing your mother-in-law, but he actually did it!

He was so evil that when he was close to death, he had his soldiers round up the most elite citizens of Israel, took them to Jericho, and held them there and he gave the order that on the day he died they were to execute them so there would be weeping and mourning on the day that he died. But instead of killing all these citizens, they released them all and there was a huge party in the streets.

Herod had a bunch of sons. Let me just tell you about three of them. Herod Aristobulus was the son of Herod’s favorite wife. This is the wife he had killed. Herod Antipas became king over Galilee. And then there’s another son by the name of Herod Phillip.

Herod Aristobulus had a daughter named Herodias. She is gonna be a key figure in our story. Phillip married Herodias (so he married his niece).

One day, Herod Antipas visited his brother, Herod Phillip, and HE fell in love with his brother’s wife, who happened to be HIS niece too. Herod finally convinced her to leave her husband Phillip and marry him. You thought your family was dysfunctional?

John the Baptist started to preach against Herodias, so she convinced Herod to have John the Baptist arrested and thrown into

prison. Calling two of them (two of John’s disciples), he sent them to the Lord to ask, “Are you the one who is to come, or should we expect someone else?” Luke 7:18-19

At this point John has been in prison for about ten months. He’s starting to have doubts. Is Jesus really the Messiah or have I wasted my life? He knows he’s probably gonna die and he’s having second thoughts at this point.

Isn’t it interesting that when our circumstances change for the good or for the bad, it impacts our confidence in God? Let me touch on something here. I think there is something self-centered in us in losing our faith when our circumstances go bad. Because when a tragedy strikes or there are terrorist attacks or hurricanes, we pray for those people, we give money to them. But it doesn’t shatter our faith in God (it doesn’t affect us). You see:

When you go through a hard time, I pray.
When I go through a hard time, I doubt.

When I am having a hard time, I want God to either change the circumstance, or explain what he’s doing, that everything is going to be okay.

Verse 20: “When the men came to Jesus, they said, ‘John the Baptist sent us to you to ask, ‘Are you the one who is to come, or should we expect someone else?’” - Luke 7:20

Jesus doesn’t say, “Of course I’m the one. Tell him I’m the one.”

He doesn’t say, “Tell John we are getting him out of prison tonight.”

He doesn’t even say, “Tell John that there’s a REASON that he’s been arrested.”

Jesus doesn’t answer their question.

Verse 21: “At that very time Jesus cured many who had diseases, sicknesses, and evil spirits, and gave sight to many who were blind. So he replied to the messengers, ‘Go back and report to John what you have seen and heard: the blind receive sight, the lame walk, those who have leprosy are cleansed, the deaf hear, the dead are raised, and the good news is proclaimed to the poor.’” - Luke 7:21-22

He says, “You go back and tell John what you have seen and what you have heard. Then in verse 23 he says, “Blessed is anyone who does not stumble on account of me.”

This word stumble could also be translated “take offense.” This is where we get our word “scandal” from. Jesus can be offensive. Jesus can be scandalous because he might allow circumstances in your life that you do not like and NOT intervene when you think that he should.

Jesus says, “Tell John, blessed is anyone who does not stumble away from me, because of something that you thought I SHOULD have done.”

In verse 28, Jesus says, “I tell you, among those born of women (that would be EVERYONE) there is no one greater than John, yet the one who is least in the kingdom of God is greater than he.” - Luke 7:28

Jesus says out of everybody who has been born, there is nobody who is greater than John. And he’s struggling with God and his circumstances do not change. I think this is good news for us. I think this is so helpful for you and me, because here’s the greatest man who has ever walked the face of the Earth, and he had doubts.

John is this great man and God did not change his circumstances. So what do we do with our doubts? I think if we were to ask Jesus the same thing, I think Jesus would give us the same advice.

You look back and you look beyond.

You look back at what God has brought you through.

How he has answered prayers, you look back at how God came through at just the right time. If you’re going through difficult circumstances right now,

#1. Look for God’s hand working in your life.

Because we tend to miss God working if we’re not looking for it (but God is working).

Look for it in those circumstances in this moment.

#2. Write it down.

You need to write it down because we tend to forget how God has come through.

Make it habit to write down where God is working in your life. Write down the things you’re worried about and the lessons God is teaching. Write down the things you’re consumed with. Write down your prayers.

“God, why haven’t you? Why don’t you?”

Write down a verse you read in the Bible.

The reason you write these things down is because you can look back and see God’s hand working in your life. You look beyond your present circumstances.

All of us have these prison cell experiences. You’re trying to find God in your circumstances and you have to look outside those prison walls. God will get you through this. You look beyond your current circumstances. You look back at God’s faithfulness and you look beyond your present circumstances.

John was beheaded and it had NOTHING to do with how God felt about him.

God didn’t change the circumstances. Your circumstances do not reflect how God feels about you. Proof about how God feels about you happened on the cross.

So the question for all of us is not IF we’re going to doubt (because we’re going to doubt). The question is, “What are we going to do with our doubts?”

You begin to look around, where is God working? What is he doing? You look back at answered prayers, you look back at how God intervened, you look back at God’s faithfulness, and you look beyond your present circumstances and you will find your faith.

The Apostle Paul wrote in 1 Thessalonians 5:18, “Give thanks in all circumstances, for this is God’s will for you in Christ Jesus.”

He doesn’t say give thanks FOR all circumstances—that would be hard to be thankful for the cancer. You give thanks IN all circumstances.

You want to know what God’s will is for you? How many times do we say, “God, just tell me your will.”

You want to know what God’s will is for you? Give thanks—in ALL circumstances.

Many of us have doubts and uncertainties in their lives. Don’t allow those doubts and uncertainties from keeping you from taking a step toward Jesus.

Until next month,

Isn't summertime great?

Sunny, school-free days, water activities, and best of all, vacation! We hope that you are enjoying your summer break with your family.

You may not know this, but the summer is one of the leanest times of the year for Hope Children's Home. While people are in their summertime schedule of vacations, it's easy to overlook a ministry like Hope Children's Home. Many people think of children during the big holidays like Thanksgiving and Christmas, and for that, we are unbelievably thankful! There are certain times of the year that folks are just more apt to think about children and their needs. But our children, like yours, need care in these summer months just as much as they

need care during the holidays. You can help us as we seek to provide for the 80 children who reside at Hope Children's Home year round. Simply, go to www.HopeChildrensHome.org and click on "You Can Help". You'll find many different ways that you can make up the difference this summer and help us to rescue the next generation!

A Word from Our Grateful Readers & Partners

This photo is from a family reunion ten (10) years ago in Tennessee. I am the second guy from the right, the tall good, looking guy with the USF Bulls shirt. I turn 59 years old this year and have been fighting PD (Parkinson's Disease) for 24 years now. Almost 13 years ago, I had A DBS system (Deep Brain Stimulation) installed and it radically changed my life. Not as much as being born again!!

From the left to right in the picture is my older brother, Sam, the photographer of the group. My brother-in-law Patrick Carr, my son, Jimmy, myself and another brother-in-law, Mike Sutterer. My wife was the one who took this picture. The course we were at is part of the Tennessee Trails near Rock Island National Park. Who won that day? The most relaxed looking guy in the photo, Mike Sutterer. That's my story and I'm sticking to it!

Sincerely,
Jim Marquiss

Thank you for the work you put into advertising the KUMC Golf Classic tournament. The ad looked great! We had 92 golfers—the highest number of players yet—and a beautiful day of sunshine and warm breezes. God definitely heard our prayers and blessed our day. We expect our profits for the youth programs to be over \$7,500. Your help each year through free advertising of our event is a godsend and much appreciated. On behalf of all members of our church community and your youth, thank you!

Sincerely, Peggy

Thank you for the Strawberry Festival tickets in March. Our family had a great time celebrating everything strawberry and more! I really enjoy your publication of the Lutz Gazette and fun contests like this scripture search.

Blessings,
Sonia & family

Thank you so much for the tickets to the Strawberry Festival. I was able to take my daughter and grandson and we had a great time. The Gaithers were scheduled to be the entertainment that day and we were looking forward to seeing them. However, my grandson who is three years old was worn out and we had to leave early. But as we were eating lunch under the grandstands, the Gaithers were practicing and we were able to hear them.

As a side note, two of your sponsors are very important in my life. Cornerstone Air is a major sponsor to the mission ministry that I am involved with. They are a major sponsor for CWemissions.org as they support the fundraiser that allows CWE to share the gospel and build buildings and send medical teams around the world. And with Heritage Harbor Golf, I am the league secretary of a golf league at Heritage Harbor. We have been playing there for three going on four years. John at the pro shop has been great to work with.

Thanks again! I love the Lutz Gazette!
Ron

Thank you so much for the Renaissance tickets that I was able to offer friends who had never gone! Also, for Disney on Ice tickets! I took my daughter and two granddaughters for our first ever! Thank you! All so generous of you!

Blessings in Jesus,
Jan

Thank you for your generous heart. Because of you, the poor have reason to rejoice and thank God for sending someone to answer their cries for help. Through your generosity, you are giving the poor a helping hand during their darkest hour. Your selfless action is making the world a better place.

When Christ asked us to follow Him, He gave examples of what He meant. Through helping the poor, you are sharing your blessings and acting as Christ asked us to. Just as He didn't hesitate to associate with lepers and tax collectors, you are doing the same in extending a kind, friendly hand to someone often ignored by society.

By remembering the voiceless poor, you are demonstrating the love Christ showed for us.

'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' (John 8:12)

May God shower you with blessings this year and always.

A servant of the poor,

Royal Pets Market & Resort

By Karen McBride

Royal Pets Market & Resort (“the resort”) offers complete veterinary and spa services to meet all of your pet’s needs. Preventative medicine is the key to keeping your pet healthy and active. The resort offers a complete plan for maintaining your pet’s good health, from dental visits to vaccinations.

A trip to the vet can be an expensive visit. However, the monthly wellness plans are very reasonably priced. The monthly plans start at \$39.95 for cats and \$49.95 for dogs. The plans will give you peace of mind knowing that your pet has access to the professional veterinarians at an affordable price.

Some of the key features of the Wellness Plans are:

- \$10 unlimited vet visits
- all annual core vaccines
- annual blood work and wellness tests
- free visits to the hotel and salon

The Palace Plan and the Crown Plan include teeth cleaning and prophylaxis. The same day out-patient service includes pre-dental blood chemistry and complete blood count, IV catheter, anesthesia, monitoring, and dental cleaning, scaling and polishing.

Dental care is an important aspect of your pet’s health. A professional dental cleaning is required to remove plaque, tartar, and bacteria from under the gum which can travel to the heart, kidneys, and liver. A healthy mouth

will not only help your pet to eat better, but will also improve their overall health.

Signs of dental problems in your pet can include:

- bad breath
- broken or loose teeth
- teeth that are discolored or covered in tartar
- abnormal chewing, drooling, or dropping food from the mouth
- reduced appetite or refusal to eat

If you notice any of these symptoms, contact the resort to schedule an appointment.

If your pet suffers from acute and chronic illnesses, such as diabetes, thyroid disease, Cushing’s Disease, heartworm, or allergies, the highly trained staff can work with you to determine and implement the proper treatment plan for your pet.

Kay and Mark Dunn’s dog, Mighty Mouse, suffers from arthritis due to his advanced age. The veterinarians at the resort give him treatments that ease the pain and stiffness he experiences and help to increase his mobility. He is also taking prescribed medication for his dementia.

“We can really see an improvement since he started the treatments and taking the medicine,” Kay said. “He can find his way back to the door when he needs to go out, which is a real improvement, and lets us know when he wants to eat.”

In addition to dental services, vaccines, and illnesses, the resort offers surgical procedures. The resort’s state-of-the-art surgical facility enables the doctors to perform surgeries ranging from spay/neuters to more advanced surgical procedures.

The resort has four convenient locations: Apopka, Carrollwood, St. Petersburg, and Palm Harbor. For more information about additional services offered at the resort, including doggie day care, go to www.royal-petsmarket.com.

Dr. Dan Coffin
Pastor, River of Life Church

One of my favorite scriptures is Isaiah 60:1: “Arise, shine; for your light has come, and the glory of the Lord has risen upon you.” You notice it says that your light has come and the glory of God has (already) risen upon you. It does not say light and glory will come one day, but it has already come.

So how has the light and glory of God risen upon you and me? We often think of the light and glory of God as some visible glow, but Ephesians 5:13 says, “Whatever makes manifest is light.”

We have all stumbled around in the dark looking for a flashlight or light switch. Once the light is on it reveals what was previously in the dark. The light made manifest what was not previously seen. When the Bible speaks of the light of God, it is referring to the revealing of who God is and what he is like.

Jesus’ life was the light of mankind (Jn. 1:4). His life revealed to us the character and nature of God, so much so that he could say to Philip, one of his disciples, “If you have seen me, you have seen the Father.” (Jn. 14:9) The life of Jesus is the light of God that reveals to man who God is.

The Bible is filled with references to God as light: “God is light, and in him is no darkness at all.” (1 Jn. 1:5) and “I am the light of the world: he that follows me shall not walk in darkness but shall have the light of life,” are just a few.

If you are a believer, the Bible says, “You have been called out of darkness into his marvelous light.” (1 Pet. 2:9). Jesus said, “You are the light of the world.” (Mt. 5:14) In other words, Jesus is saying to you and me that we

Light in the Darkness

are to “shine the light” for people who are in darkness (have no knowledge of God).

We do not glow with some manmade or artificial light, but we reveal through our actions, words, deeds, and ways, God’s life, his love, and his delight in man who he values so greatly he was willing to pay the price for man’s forgiveness and redemption. Light (revelation) of God is what we have been given.

Every aspect of our lives either reveals God or keeps him in the dark to those who know us. John writes, “He that says he is in the light, and hates his brother, is in darkness even until now. He that loves his brother abides in the light and there is no occasion of stumbling in him.” (1 Jn. 2:9-10).

The term “occasion of stumbling” is translated in other places as offence or a snare. If we, as believers, walk in hatefulness and bitterness we have just been snared by darkness. We are neither walking in the light of God nor revealing the life of God because we are hiding the light of who God is (love, forgiveness) by actions or words that are not of God.

But if we will walk in the light and glory of God revealing him in all our ways, then “nations will come to your light and kings will see the shining greatness of the Lord on you” (Is. 60:3 NLV). Would you like to for nations and kings to want to know you because they find in you the revelation of God? I believe that is God’s plan!

The Great Florida Outdoors: The Archbold Biological Station

Dr. Robert Norman, Clinical Professor, Dermatology
Nova Southeastern University

The Archbold Biological Station (ABS) was established in 1941 by Richard Archbold when his sponsorship of zoological research in New Guinea was curtailed by the outbreak of the Second World War in the Pacific region. Archbold acquired the initial land for the biological research station from the Roebeling family and later additional land was purchased.

Archbold has a wonderful and eclectic history. Richard Archbold appointed Dr. James N. Layne as the first Director of Research at Archbold Biological Station in 1967. Dr. Layne immediately initiated long-term, mark-and-recapture projects for all of the small and large mammal species, Gopher Tortoises, snakes, and some birds. Dr. Layne said, “Many field projects will be conducted on a long-term basis with the objective of obtaining a better understanding of the biology of important species. In addition to their intrinsic value, such data will contribute to overall knowledge of the ecosystems represented.”

Per the Archbold website, “Dr. Layne had the foresight to establish rigorous, long-term monitoring programs and records on geology, geography, land-use history, fire history, hydrology, climate, vegetation, and animal species. In his shirt pocket he always had pens, pencils, and 3x5 cards to immediately record field observations.”

Dr. Mark Deyrup, Archbold Entomologist since 1983, said, “In his alert and respectful attention to the natural world Jim Layne was a model to us all.”

In 2011, Dr. Layne donated materials from his professional career, part of the “Dr. James N. Layne Collection.” The collection is under active archival care and is open for use by Archbold staff and visiting researchers, and continues to inform some of Florida’s critical environmental trends as well as contributing to many other scientific studies.

Archbold’s 10,500-acre Buck Island Ranch is home to the MacArthur Agro-ecology Research Center. The center contributes vital understanding towards sustaining working lands and subtropical ecosystems in Florida and around the globe.

ABS supports 19 federally listed threatened species and 13 endemic plant species. On July 20, 2007, it was added to the U.S. National Register of Historic Places. The station and grounds are open to visitors that register at the main office. The location includes displays about the property and its history, a video

about the biodiversity and conservation of the Lake Wales Ridge, a 1/2 mile nature trail and picnic tables. Ranch eco-tours are offered.

ABS offers nature and environmental education programs for schools, adults, and specialty groups. Check out the great Vimeo and Youtube videos on the Archbold website. One is narrated by Hilary Swain, the executive director of Archbold and a master ecologist. Abundant wildlife and amazing plant life cover ABS; during my most recent trip I was able to see many of the delightful scrub jays and other protected species.

Heartworm Prevention and Treatment in Pets

In the last article we identified what causes heartworm disease. I will now discuss the prevention and treatment of heartworm disease. Heartworm disease is easy to prevent. It can be diagnosed using lab tests that are inexpensive and take less than 10 minutes. If your pet tests "negative", there are safe, effective preventative medications that are available. Which prevention medication is appropriate for your pet will be determined by your veterinarian. **It is important that Florida dogs and cats receive monthly heartworm prevention year round.** If your pet tests "positive" for heartworm disease it is important to start a treatment plan immediately. If detected early enough, heartworm disease can be treated before permanent damage to the heart, lungs, and blood vessels occur. Heartworms, left untreated can be fatal. The symptoms of heartworm disease are cough, difficulty breathing, reduced appetite and being tired after exercise. Remember, heartworms can be present in your dog or cat **before** they show any signs of symptoms. Therefore, preventative testing is a must for every pet owner.

When the Devil Goes to Church

Continued from Page 1

Though know one knows the time or day of his coming, the Bible does describe a time of season in the ending times. Note that some of these events have already come upon us. One of the first events was in Matthew 2:1-12 where King Herod sent the three wise men to find Jesus, who followed signs of the star to Bethlehem.

Another sign was when Pastor John Hagee in 2014 said that God again is communicating through a supernatural way of the Four Blood Moons. April 15th 2014 - October 28th 2015 marked the beginning of the Passover on 4/15/14, Sukkot on 10/08/14, and an eclipse on 3/08/15, the day that the children of Israel were turned loose from Egypt. The last two occurred on the Passover 4/04/15, and Sukkot on the 9/28/15.

The blood moon was a signal to Israel and the sun was a signal to the world, as in the presentation in Joel 2:31 according to the Bible. Here God had set the dates for the Jewish feast. He believed that within the next two years, in 2017, we were going to see a dramatic scene happen in the Middle East in Israel.

Then comes the celebration of Jubilee 2015-2016 with the Day of Atonement, a period of time man's possessions would be returned to him. Then, the return of the Cosmic King on September 23rd, 2017 where the birth of the Son of Man and the 12 stars appeared over the consolation of Virgo, the woman's head.

Again, God is using the heavenly stars to communicate to us another supernatural event. Revelation 12:1-2: “Now a great sign appeared in heaven, a woman clothed with the sun with the moon under her feet and on her head a garland or crown of twelve stars, and being with child, she cried out in labor and in pain to give birth.”

And another sign will be appearing in heaven. “A great, fiery red dragon having seven heads and ten horns, and seven diadems on his heads. With his tail, he drew a third of the stars and threw them to earth. The dragon stood before the woman who was ready to give birth, to devour her child as soon as it was born.”

Psalms 147:4: “He telleth the number of the stars, and he calleth them all by their names.”

Jesus said in Luke 21:25: “And there will be signs in the sun, in the moon, and in the stars, and on the earth distress of nations, with perplexity, the sea and the waves roaring.”

Biblical Astronomy vs. Astrology
This is not Astrology, this is the lost Bible of Astronomy. Satan being the author and master of magical illusions and tricks of paranormal methods, he manipulates natural forces and uses supernatural elements as a theme of misdirection. Because he is of the spirit and not of the flesh, the devil causes

conflict and confusion to control us. When Satan was cast out of heaven with a third of his angels, he knew better than to try to battle the spiritual power of Jehovah, for He is not of the flesh.

An angel from heaven told Mary, “The Holy Spirit is among you and you will have a child and you will call him Immanuel.”

God used Mary to manifest the spirit into the flesh, who became baby Jesus. Now that the Holy Spirit has manifested into the flesh, the devil Satan knew human weakness through the flesh that he would try tempting the Son of man as he did in the wilderness.

Matthew 4:9: “And he said to Him, ‘All these things I will give you if you will fall down and worship me.’”

He hoped that through the weakness he would be successful. Though church is a good place to recharge our spirit bodies, it's also a place where the devil can hack into our spirit bodies through the flesh. A good example of this is when you are driving along singing Hallelujah to the Lord and then “BAM” someone cuts you off! In a flash of a second you lose all control, and your face turns red and you start honking instead of doing what would Jesus do.

You can see how the devil sneaks in through our flesh that brings us doing things we normally wouldn't ever do. We exercise our body to keep fit, but what about exercising our spiritual abilities. We should be training our spiritual bodies as if we were training for the Olympics, rather than relying on the flesh.

Many times you will hear said, “he got a lot of spirit, look at that boy run!” We know that the devil wants to be Lord of Lords, that's exactly why he was kicked out of heaven. Isaiah 14:13: “I will ascend into heaven, I will ascend above the heights of the clouds, and I will be like the Most High.”

2 Corinthians 11:13: “For such are false apostles, deceitful workers, transforming themselves into apostles of Christ.”

They try to look like apostles and they teach doctrines to get their own following, for they're interested in self worship. Question is, how do you know? Well it's hard to tell when they're wearing sheep's clothing. Satan can be transformed into an angel of light, so how do you know?

Matthew 7:15: “You will know them by their fruit.”

You also know them by their teachings in similarities that sound like they're biblical. Apostles also had problems with wolves among the sheep. John talked about some who had turned on him in the letter of 3 John 1:9-10: “I wrote the church, but Diotrephes, who loves to have the preeminence among them, does not receive us. Therefore, if I come, I will call to mind his deeds which he does, preaching against us with malicious words.”

IT'S A DUNNDEAL @ 218 E. BEARSS AVE. #256 TAMPA, FL 33613

Back in those days there was a church leader, the apostle John, who was turning people away from an apostle that's got to be pretty bad. John was a nice guy, he was the apostle of love. You find out that one of the first spiritual miracles Jesus did was the casting out of demons. Luke 4:31-33: “Then He went down to Capernaum, a city of Galilee, and was teaching them on the Sabbath. And they were astonished at His teaching, for His word was with authority.”

In the synagogue or gathering place, there was a man with an unclean spirit. Luke 4:33: “And he cried out with a loud voice, saying ‘Let us alone! What have we to do with you, Jesus of Nazareth? Did you come to destroy us? I know who you are—the Holy One of God!’”

Keep in mind these fallen angels knew Jesus before creation. Because he occasionally shares some good theology doesn't mean anything, he's still the devil. James 2:19: “You believe there is one God. You do well. Even the devil and his demons believe and tremble! They are not polytheistic, they're monotheistic. They know there is only one God. Mark 4:15: “And these are the ones by the wayside where the word is sown. Where they hear, Satan comes immediately and takes away the word that was sown in their hearts.”

The devil goes to church undercover wearing sheep's clothing. He hates for people to hear the word of God, and sometimes the devil goes into church to use you and me. Are you aware that the devil does not hunt for haunted houses, he hunts people to haunt like you and me, and every time the word is being preached, he will try to snatch it away like in the parable in Mark 4:15: “Some people are like seed along the path, where the word is sown.”

As soon as they hear it, Satan comes and takes away the word that was sown in their heart. Some seed fell on the wayside and the ravens came along and snatched it away. Mark 5:6-9: “When he saw Jesus from afar, he ran and worshiped Him. And he cried out

with a loud voice and said, ‘What have I to do with You, Jesus, Son of the Most High God? I implore you by God that you do not torment me.’ For He said to him, ‘Come out of the man, unclean spirit!’ Then He asked him, ‘What is your name?’”

By using confusion, the devil does not have much of a problem gaining control using the art of performing supernatural feats.

“So it's not that the devil goes to church. He started church.”

As a longtime advertiser in Dunndean Publications, I just wanted to say thanks for your years of service. I've met so many great readers over the years, many who use our services year after year. Advertising in your publications is probably the sole reason my Palm Trimming business has succeeded over the years. It's the only place I gladly pay for advertising year after year. Thanks Kay for all the great service over the years, and I'm looking forward to many more years of advertising with you!

Steven Papola, Allstate Agent

By Karen McBride

Steven Papola has always wanted to serve the community. He was a police officer and a part-time insurance agent who ran a successful insurance business until the terrorist attacks on September 11, 2011. He was forced to suspend his insurance activities when he was assigned to help assist with the recovery efforts. He volunteered as a Cobra Team Member and was assigned to the Anti-Terrorist Section of the Brooklyn North Task Force.

He later moved to Florida and continued to serve the community as a police officer. Steve served with the Pinellas County Schools Police and provided Security Services for the Pinellas County Board of Education. Eventually, he became a deputy sheriff with the Pasco County Sheriff's office.

Steve was an Allstate agent from 1995-1998 before going out on his own. He has returned to Allstate insurance company as an agent in the newly opened office in Lutz. He views insurance as a natural extension of serving and protecting the public.

“A customer is a customer, whether you are wearing a uniform serving them in one capacity or wearing a suit and serving them in another capacity,” said Steve.

His agency offers all facets of insurance including homeowners, property and flood insurance for both individuals and businesses, policies for automobile, boat, motorcycle, and even off-road vehicles. Life insurance, annuities, and retirement plans are covered as well. With over 10 years of experience in the insurance industry, he is able to help you in all your needs to ensure you are protected.

His office is located at 1528 Land O Lakes Boulevard, Suite 102, Lutz, FL. For more information or to schedule and appointment, call 813-995-6013 or visit <https://agents.allstate.com/steven-papola-lutz-fl.html>.

Two Young Artists Making Tampa Look Good

Continued from Page 5

In the manner of Owl City’s Adam Young, Maio played all the instruments and recorded the Hometown song in his Carrollwood bedroom on his Mac. Then he and Oosterling hit the road to capture the beautiful images of Tampa. Next the Oosterlings worked their production and editing magic in their home studio.

The resulting music video is reaping widespread praise and attention, most recently in the form of film festival accolades. Less than one month since its release, Hometown has been named “Film of the Month” for May 2018 at New York’s Oasis Short Film Festival and will be featured in Denver at the Intendence Film Festival in June. Hometown has also been accepted by international festivals, so worldwide audiences will see the beautiful lights of Curtis Hixon Park, the Bull

Fountain of USE, the Florida Aquarium, the gigantic Bucs flag, the Lightning bolts, the lovely Hillsborough Bay, the Kumba at Busch Gardens, and many other unique local treasures. Maio and Oosterling are happy the video is bringing attention to the Tampa area, as the guys are both proud of their city.

“One of the festivals asked us what our budget was for the music video. Their lowest category was \$5000.00. All it really cost was a tank of gas and about \$35.00 in Chick-Fil-A drive through,” said Maio. Truly a labor love from two very talented young artists dedicated to their hometown, Tampa.

Thanks to the advertisers, our Operating Partners, we are making a difference in the community. Their support of the Gazettes has brought us to the crossroads in Bible ministries that our forefathers forged into our Constitution, **IN GOD WE TRUST**. As a Christian publication, we are on a mission to exceed expectations with outstanding hard work by connecting with Christian businesses and churches. Our uplifting editorials are mainly contributions from local businesses, churches, and events.

Let all that you do be done in love. 1st Corinthians 16:14

Help us to continue to connect with other Christian businesses and churches that would benefit with exposure in the Gazettes and receive a \$100 referral or make a donation to your church. Please help our advertisers to monitor their results by letting them know you saw them in the Gazettes!

Thank you Jesus!
and our Operating Partners!
