## A Three-Day Story

By Pastor Keith Chandler, Journey Christian Church

Many of us may feel disappointed with life. Maybe you think, "I've got more days behind me than I do before me. I've not fulfilled all the dreams I once had for my life."

You may feel a bit like the chocolate Easter bunny - hollow inside. It happened when you began to feel like life wasn't turning out the way you hoped it would. All of us feel hopeless at times. I want to call that Saturday.

That may seem strange because typically Saturday is a great day. But when it comes to Easter, Saturday was not a good day. Because in the Easter story, Saturday is the day that hope is dead.

The Easter story is a three-day story. Friday, Saturday, Sunday. Death, Burial, Resurrection. Trouble, Silence, Deliverance. Beginning, Middle, and End.

We celebrate Good Friday, the day Jesus died for us, and we know about Easter Sunday. That's the Sunday we all celebrate because it's the day Jesus came back from the dead, but we often forget about Saturday. This was a DEVASTATING day. Good Friday brought shock, but Saturday brought hopelessness.

### A Rose Like No Other

Our combined communities of Lutz/Land 'O Lakes lost a wonderful soul on March 25, 2019 with the passing of Rosemary (Rosie) Heim. As a tireless volunteer Rosie devoted her time, talents, and treasures to The Central Pasco Chamber of Commerce, The Greater Federation of Women Club, Women-N-Charge, the WRENS, and any other community group or activity needing funds or service.

Never content to be just a member, Rosie excelled in everything she touched. She served the Chamber as Honorary Mayor, winning both Member of the Year and Ambassador of

the Year, presided as President of the GFWC, served on the board of Women-n-Charge participating in the annual Teas and fundraisers on every level. As a retired teacher's aide, she supported the activities of other retired teachers and aides as a member of the WRENS. Most if not all activities overlapped as she served both God and her community with a loving heart, dispensing help, love, and AVON to all she met in her daily walk on Earth. A Celebration of Life honoring Rosie Heim is scheduled on April 13, 2019 at 10:30am at Holy Trinity Lutheran Church, 20735 Leonard Road, Lutz, Florida 33558. A reception in the activity hall will immediately follow the service. All are invited to join the Heim family for food, fellowship, and remembrance.

### What Did the King Say?

**Dr. Dan Coflin**  
*Pastor, River of Life Church*

“Then the righteous will answer him, saying, ‘Lord, when did we see you hungry and feed you, or thirsty and give you drink? And when did we see you a stranger and welcome you, or naked and clothe you?’ And when did we see you sick or in prison and visit you?’ And the King will answer them, ‘Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.’” (Matthew 25:37-40 ESV)

Whatever your understanding of this portion of scripture might be, one thing is certain. Jesus takes personally what we do to and for others. The Bible is full of admonitions to take care of the poor, the needy, the outcast, the rejected, and afflicted. Healing the sick, raising the dead, cleansing the leper, and casting out demons may be a challenging command for many believers, but there should be no hesitation for anyone who declares that Jesus Christ is Lord to feed, clothe, and house those in need.

The Bible teaches us that we are the Body of Christ on the Earth. Jesus is declared to be the head of the body (Eph. 1:22,23). He is not just the leader, superintendant or CEO of the organization that is called his church, but Jesus is the head of the body and you and I are members of this body. We are the arms and

feet that function at the will of the head. Jesus may be seated in heaven, but his church is upon the Earth to carry out his will. The Apostle John writes, “But whoever has this world’s goods, and sees his brother in need, and shuts up his heart from him, how does the love of God abide in him?” The primary way people will see Jesus in action, meeting their needs and answering their prayers will be through you and me. I am grateful for the many ministries that reach out to the poor and needy and for the businesses and individuals that give to support such ministries. Many people have devoted their lives to help others in need whether it be to open shelters for the homeless, provide the needs of the elderly, or be the voice of reason and decency to protect the unborn.

I personally, as does our church, take a strong stand to protect the unborn, however, we cannot advocate against abortion if we are not helping the unwanted children that are born or their mothers that may be in a crisis or unplanned pregnancy. ## The Great Florida Outdoors: Vines

Dr. Robert Norman, Clinical Professor, Dermatology, Nova Southeastern University

What are these vines?

Some of the vines can get quite large. (Hand

of 17 year old Trey Bacon)

Grape *Vitis rotundifolia* (pictured above)

The leaves are simple, alternate, deciduous or evergreen, variably shaped depending on species, often 3 main veins with netted intervenes. The stems are vine, variable, some with thorns. The flowers are small, trumpet shaped with flowers in small clusters, greenish to yellowish, dioecious. Fruit are berry, green turning red to blue or black, containing 1-3 seeds. The habitat is wide range and is a very important wildlife plant. The fruit is eaten by turkey, quail, and at least 40 species of songbirds.

**Other vines**

Greenbriar, catbriar, briar Smilax spp

All the common names refer to a number of closely-related species that are vines and able to grow up trees using some combination of tendrils and thorns and propagate via runners and seeds. In Florida there are about a dozen species of Smilax found growing wild including earleaf greenbriar (*Smilax auriculata*), saw greenbriar (*Smilax bona-nox*), cat greenbriar (*Smilax glauca*), and everglades greenbriar (*Smilax havanensis*). The drink called “sarsaparilla” comes from some species of Smilax roots. Greenbriar provides both food and protective cover and serves as an important component in the diets of wildlife including deer and black bear.

**Trumpet vine**

Campsis radicans is trumpet vine or trumpet creeper and also known in North America as cow itch vine or hummingbird vine is a species of flowering plant of the family Bignoniaceae. The vine is native to the eastern United States and naturalized in parts of the western United States as well as in Ontario, parts of Europe, and scattered locations in Latin America. It grows to 10 m (33 ft) and inhabits woodlands and riverbanks. Trumpet vine is a vigorous, deciduous woody vine, notable for its showy trumpet-shaped flowers. and is also a popular garden subject.

The leaves are opposite, ovate, pinnate, 3–10 cm long, and emerald green when new, maturing into a dark green. The flowers come in terminal cymes of 4–12, orange to red in color with a yellowish throat, and generally appear after several months of warm weather. The flowers are very attractive to hummingbirds, and many types of birds like to nest in the dense foliage. The flowers are followed by large seed pods. As these mature, they dry and split. Hundreds of thin, brown, paper-like seeds are released. These are easily grown when stratified.

Biblical Stewardship

James H. Willis, III  
Founder and President

[Jim@TheWillisAgency.com](mailto:Jim@TheWillisAgency.com)

1 Peter 5:7

What is Biblical Stewardship? How does it have any impact on my life and my money? I'll share with you my first personal experience with Biblical Stewardship. It was in the mid 90's and I had financial frustration in every aspect of my life. It was absolutely horrible!! Once I got a grasp on this concept (ha, perhaps it got a grasp on me!?!), I was almost immediately set free. I felt an overwhelming burden lifted and a clear financial future by obeying God's stewardship principles. May I also note: You don't need to be a Christian to be successful applying these principles. I was liberated and focused on financial freedom. God's way and love have helped 100% of the families we work with.

Here are some of the major points of Biblical Stewardship:

1) Stewardship is the only area of the Christian life that cannot be faked. The way we spend our money is a true measure of our priorities.

2) Every spending decision is a spiritual decision. Ask, "Is this really what God wants me to do?"

3) Believing—this is the key to financial freedom. Often it is not rational or the American Dream.

There are 4 Transcendent Planning Principles of Financial Success:

- 1) You must spend less than you make
- 2) Avoid the use of debt as much as possible
- 3) Build up liquidity, a "slush fund" of 3-6 months of expenses
- 4) Set long-term goals and plan ahead!

These are some of the primary points of Financial Stewardship. Remembering that God really owns it all and provides for it all is at the forefront. And yet He leaves it to us to be good stewards of great blessings. My purpose is to be your Steward Assistant.

Caring for you and yours,  
Jim

Service Deserves Its Rewards®

Firefighters/EMS Law Enforcement Military Healthcare Workers Teachers

Flip Side Realty By Design

By Karen McBride

Marla Adams, the owner and broker of Flip Side Realty By Design, opened her doors a little over three years ago. What makes her brokerage firm different from others is the vast array of residential services offered. Marla wanted to create a "one stop shop" to help customers with all their real estate needs. She has been a proven industry expert regarding all aspects of real estate including and yet not limited to buying, selling, relocation, property management, and home renovation and design.

Having served in the U.S Navy for 8 years, Marla knew she wanted to help her fellow servicemen and women when it came to buying or selling a home. Her passion to assist people not only in the military led Marla and her agents to become involved in Homes for Heroes (HFH). This organization is the largest nationwide network of affiliate real estate, mortgage, and local business specialists committed to monetarily rewarding our country and community heroes. The organization was established to give back to firefighters, EMS, law enforcement, military, healthcare professionals and teachers for all they do. Currently, Marla and her agents are delivering HFH boxes filled with goodies and dropping them off at schools, fire/police stations and other locations. This is an opportunity to both show their appreciation and to inform heroes about the program available to them.

Flip Side Realty By Design has been involved in a number of other community events over the past year, including the Temple Terrace Night Out, K-9 Pasco Sheriff Golf Tournament, Veterans Helping Veterans golf tournament, New Tampa Noon Rotary Cycle for Vets, just to name a few. Marla also spon-

sored Heat and Hops; a fundraiser last August where the proceeds went to the families of two City of Tampa Firefighters, both of whom are battling cancer.

"It is always a great opportunity to explain Homes for Heroes. At first I was surprised that a lot of people did not know about this programs available to them," said Marla. "But then I realized that not many agents in the area participate in HFH because the money the Hero receives back comes directly out of the agent's commission."

In April, Flip Side Realty By Design agents will be participating in Prosthetic & Amputee Rehab and Research Foundation's ("PARR") 5K run. The event will be held April 5 at the Babe Zaharias Golf Course. For more information on this event, go to <http://www.parrfoundation.org>.

Marla is also in the process of launching a foundation "Hear to Help". She has been hearing impaired for years but was hesitant to wear hearing aids. A few years ago, she finally gave in and began wearing them.

"What a difference it has made in my life. I just want to help others experience this as well."

Hear to Help will offer hearing aids, sign language classes, and hearing service dogs. Medicare pays for hearing aids for the elderly, but Medicaid does not. Unfortunately, the example of the single mom or dad with a child who needs hearing aids falls in the loophole of the system. "I want Hear to Help to be that bridge for the hard working individual who just can't get ahead but desperately has a need," says Marla.

Whether you are looking to rent, own or sell a home or property, Flip Side Realty By Design is ready to assist. Flip Side Realty By Design is always looking for agents with like-minded goals in serving the community. ## Pediatric Place of Tampa Offers After-Hours/Urgent Care

By Karen McBride

As the new year begins, it can mean new after school activities and summer programs. If you have not already scheduled your child’s school physical or sports physical, it is not too late. Don’t wait until the end of the school year to schedule your child’s physical for any summer programs he or she may be involved in.

Contact Dr. Michele Johnson-Towson at Pediatric Place of Tampa, a board-certified pediatrician with 30 years of experience in caring for children ages newborn to 21 years old. The cold and flu season is here.

Flu season peaks from December to February, but it can last until May, according to the Centers for Disease Control and Prevention (“CDC”).

Germes are spread quickly through the schools, and children need to protect themselves from illness as much as possible.

In addition to proper sleep and nutrition to boost their immune systems, vaccines are available. Parents are encouraged to get the flu shot, not only for themselves, but for their children. The flu shot, which contains coverage against the influenza A&B strains, is available in proper

doses for ages 6 months and up. According to the CDC, “Getting an annual flu vaccine is the first and best way to protect yourself and your family from the flu.”

Pediatric Place of Tampa is located at 1338 W. Fletcher Avenue, Tampa, FL 33612. For more information or to schedule an appointment, call 813-264-2288. Same-day appointments are available (Monday-Friday 8:00am – 3:30pm).

Knowing all too well that families can be in need of a doctor at any time, Pediatric Place offers after-hours/urgent care (Monday-Thursday 3:30pm – 7:00pm; Friday 3:00pm – 5:00pm; Saturday 8:00am – 12:00pm) as a special accommodation to their patients.

New patients are welcome and the practice accepts all insurance.

#### Pet Nutrition

Your pet’s diet is important to their well being. National brand pet foods sold at grocery stores by and large are nutritionally complete diets for both dogs and cats. The type of food depends on the pet’s age, size, breed, and lifestyle. However, some pets require specialty or prescription diets that are specifically designed to help treat medical conditions such as diabetes, heart disease, allergies, renal failure, obesity, and gastrointestinal disorders. Hills Science Diet and Royal Canin are excellent manufacturers of these types of specialty foods. At Sunshine Animal Hospital, nutritional counseling is a fundamental part of your pet’s wellness program.

**Can you feed dogs and cats the same food?** The answer is no. Pet foods are specifically formulated to meet the nutritional needs of dogs or cats, and these needs are vastly different.

**Are human foods bad for your pets?** The answer is some of them. There is a list of foods that are especially dangerous for your pet. Some of these are: **Macademia nuts** – one of the most poisonous foods for dogs. **Chocolate** – all types of chocolate including white chocolate. **Onions and garlic** – can kill your pet’s red blood cells. **Ice cream** – Yes, ice cream. Many dogs don’t digest dairy. This can cause diarrhea. Other bad foods include almonds, raw eggs, caffeine, grapes, raisins, cinnamon, and alcohol. If you suspect that your pet has eaten any of these foods, call your **veterinarian immediately**.

For more information or to make an appointment for your pet, Please call us at Sunshine Animal Hospital. **813-885-7071**

Thank you so much for the Disney On Ice tickets! We had a great time on Saturday night. Please see our picture attached.

Keep up the good work!

Kay, this is a belated “thank you” for the 4 tickets to Disney On Ice: Dare to Dream at Amalie Arena! We thoroughly enjoyed the show! The seats were awesome. I must share the blessing that occurred:

Originally, my husband and I were to take our young niece and nephew to the show, but plans fell through at the last minute. We decided to attend anyway and prayed that God would show us a family to which to give the other 2 tickets. We were running late to get to the show, and as we approached the box office, we spotted a young mother and her little girl in a Belle costume next to us. We just knew this was the family God led us to.

We asked the lady if she wanted the vouchers/tickets, and she got tears in her eyes and was just so thankful. We thought that was it. However, as we completed our transaction, a man approached us and emotionally thanked us several times for giving the tickets to his wife and daughter. We were all a bit emotional. That was, indeed, the right family.

Needless to say, my husband and I feel that we were the ones blessed that day. God is good! Thank you for all you and the Gazette do in our community, and may God continue to bless this ministry.

Sincerely,  
Kelley C.

# JUST TWO DAYS

After just two driving events with George as my driving coach, I have accomplished more, than what I have learned from all prior track experiences combined. George has a way to unlock your inner potential to drive and he makes you eager to learn. He doesn’t just teach you to find the right line on the track, he teaches you how to drive a performance car proficiently. This is a one on one relationship, that cannot be compared to any large driving school program. I look forward to future instruction with George and I highly recommend him without any hesitation.

Hi there, I’m Joseph, the one on the far left and my girlfriend Samantha is on the far right. My grandmother won a contest for 2 tickets to the strawberry festival and she gave them to me and my girlfriend. I just wanted to say that I really appreciate everyone for this opportunity and I am grateful for being able to go. Not only did we have a blast riding rides, eating tons of food and playing a bunch of games, we met Plush Time Wins, they are famous YouTubers that we have been watching for years now and to be able to have met them is just unreal. They even talked about us in a video that they posted later on in the day. It was truly a wonderful day and when we left we didn’t forget the number one rule, if you go to the strawberry festival you always have to bring home some delicious strawberries! Anyways, Thank you guys so much for the opportunity and we hope that everyone has a wonderful day!

- Joseph G.

Thank you for a wonderful day at the Strawberry Festival. We elected to go on Senior Day and enjoy the FREE entertainment by the Kingston Trio which for us old timers was pleasant memories. Of course the day would not be complete without strawberry shortcake and St. Clements again provided that pleasure. The weather was perfect so once again proof positive that God is good. Keep up the good work in the Dunndean Publications and may God keep smiling on you and yours.

Sincerely,  
Gene & Helen M.

It was exciting winning tickets to the Strawberry Festival in Plant City. I took my husband, it was our first time going. We had so much fun! One lucky thing happened while we were there. I was buying a flat of strawberries and one of the vendors gave my husband and I free tickets to see the group Home Free. After we saw Home Free, I went and found the vendor to thank him. I also want to thank you for the tickets. We had a great experience and we will defiantly go again next year.

Thank you so much,  
Linda J.

## Harley’s Strawberry Surprise

Hi, my name is Harley and a couple of weeks ago I had a problem. Daddy had taken me to the Oak Ridge Boys Concert at the Strawberry Festival 5 years in a row. This was to be #6! And two of my friends and their daddies were going to join us! But I was sick with 101.6 degree temperature and mommy wouldn’t let me go. Daddy had to call my cousin’s dad and my friend’s dad and cancel. I was so upset that I cried and cried and cried and I cried myself to sleep, which I NEVER take naps during the day. Never! I thought that I would not get to spend time with my friends this year.

That’s when I asked Daddy how long the Strawberry Festival was going to be in Plant City. He said we still had another week, but I still had to get better first. A couple days later, I was feeling so much better and my dad called my friends’ dads and tried to reschedule. My friend wasn’t able to make it, but Cousin Rachel and Uncle Sean did!

Here’s what all we got to do:

- I got to dress up like a strawberry!
- Rode all these rides, really spinny rides, which I almost threw up and I had so much fun!
- Then I ate cinnamon rolls, strawberry shortcake, and ice cream.

Even though the Oak Ridge Boy’s streak is over, we did make it to the Strawberry Festival for the 6th straight year, and I hope the Oak Ridge Boys will still be alive next year so I can see them again.

So it ended up as one of the best days ever! And that’s my Strawberry Surprise!

Thank you so much for the two tickets. My husband and I took two of our grandkids to the Strawberry Festival with us and they had a fun day riding the rides. The four of us enjoyed the strawberry shortcake, seeing the animals, and listening to the music. We even brought home some strawberries. Once again thank you. Your generosity was appreciated.

A Three-Day Story

Continued from Page 1

They had followed him for three years watching him perform miracles. So when he was arrested on Thursday night, they thought, “This won’t last long. Jesus will stand up and everyone will fall down.”

But he didn’t.

Then he’s brought before Pilate. “Everyone will bow before him and suddenly he will overthrow Rome and we will be in charge.”

But he didn’t.

Then he’s sentenced to be flogged, dragged out onto the city streets suspended on a pole, and whipped. All of his disciples thought, “Surely at some point he’s going to stop this.”

But he didn’t.

And then when he’s sentenced to die and forced to carry his cross through the city streets of Jerusalem and nailed to this cross everybody has to be thinking, “What’s going on? This is not supposed to happen. The Son of God does not die.”

But then he did.

For us, crucifixion is so sanitized. We have tattoos of the cross and gold cross earrings, but for people back then it was horrific. As Saturday approaches, hope is over.

The followers of Jesus must have thought, “We’ve fallen for the biggest hoax of all time.” Because Jesus was dead.

They had to be thinking, “God, where are you in all of this? Why are you silent?”

All of us have something that robs our hope and makes us feel hollow inside.

The reason Easter Sunday is so great is because Saturday was so bad. As far as we know, Saturday was the only day in the last 2,000 years that there were no followers of Jesus because they all thought he was dead.

Nobody was planning for him to return the next day. John’s not saying to Peter, “What are you going to say to Jesus when you see him?” Mary Magdalene isn’t thinking, “What shall I wear for Easter Sunday, are hats still in?” Hope is dead. This is Saturday and God is silent.

What do you do when you have no more hope? Because all of us are hopers. This is why people go out on first dates, because maybe this could be the one. All of us are irrepressible hopers. Saturday was a realization that hope was dead. The word hope is used 71 times in the New Testament about Jesus and the church - 70 times after the Resurrection and only once before the resurrection.

The message of Easter is that God does his best work in hopeless Saturday situations. The story of Easter is that setbacks are setups for a comeback.

The story of Easter is a three-day story.

The problem with three-day stories is, you don’t always know it’s a three-day story until the third day.

When it’s Friday or Saturday it’s as bad as it can get. Is it possible the hopelessness you feel right now is that you’re only in day two? What if God is working behind the scenes to bring about your third day?

“Praying in Unity for Our Nation and Our World”

Pray the Prayer 2019!  
for America  
The Believer’s 7-Day Unity Prayer

This Christian *Believer’s 7-Day Unity Prayer* has been divinely inspired, and is the “prayer petition mandate” of the *United Believers of America*, a growing, ecumenical, inter-denominational prayer group. It was created as a prayer tool and identifies several critical areas impacting the lives of *all* Americans, and indeed the world. Through intercessory prayer and a Christian Call to Action, we are petitioning and believing God for His favor, mercy and protection over America.

The *Believer’s 7-Day Unity Prayer* suggests seven specific areas in which to pray *continually*, with an emphasis on one area for a specific day. We certainly recognize that prayer- whether corporate or personal, is a reverent dialogue between the Christian Believer and God the Father, Jesus the Son and the Holy Spirit. Thus, the *Believer’s 7-Day Unity Prayer* is suggested to be *inclusive* with one’s prayer time even as God’s Word exalts us to “...pray without ceasing.” (1 Thes. 5:17)

~Each prayer includes a scriptural support and an additional prayer petition~

The *Believer’s 7-Day Unity Prayer* and related prayer tool images will be available in various formats and promoted through traditional media and inter-active social media platforms, as we establish faithful, “Unity Prayer Partners.”

During these uncertain times of natural and man-made disasters, a divided nation and government, social unrest, mass shootings and global fears, this prayer for America and the world may be heard as a Christian, clarion call for unity and hope for our strong, but challenged nation.

Plan to unite with this prayer initiative through your Faith in God,  
and your Faith in America~

 **Get your Smile on!** Think about this: 

\* Many folks want to serve God, but only as an adviser.

\* Do you think “stop, drop, and roll” will work in Hell?

\* Some minds are like concrete: thoroughly mixed up and have permanently set.

\* God loves everyone but probably prefers “fruits of the Spirit” over nuts!

\* The good Lord didn't create anything without a purpose, but mosquitoes came close.

\* Opportunity may knock once, but temptation bangs on the front door forever.

\* Quit griping about your church! If it was perfect, you couldn't belong.

\* If your church needs a better pastor, it only needs to pray for the one it has.

\* The best mathematical equation is 1 cross + 3 nails = 4 given.

\* God Himself doesn't propose to judge a man until he's dead. So why should you?

\* Don't wait for six strong men to take you to church.

\* We don't change the message, the message changes us.

\* Why advertise your business to keep God's word in print media? He will give you something to sing about and something you can dance to.

As a young salesman, I was counseled to keep my faith and work separate. So I believed I should make money to give to the church and serve on committees at church but never intentionally bring biblical principles into my work.

Over the years, I was convicted that if Jesus was to be Lord of my life, He is with me day and night at work. Now I understand not to leave Jesus at the door when I enter my workplace. He is with me 24/7 and the Bible is full of help for my workplace if I just look.

Are you looking for help to connect your faith? IWork4Him Radio is here. Each day our guests help connect the gospel from 9-5. Give us a listen at [www.IWork4Him.com](http://www.IWork4Him.com).

As a longtime advertiser in Dunndead Publications, I just wanted to say thanks for your years of service. I've met so many great readers over the years, many who use our services year after year. Advertising in your publications is probably the sole reason my Palm Trimming business has succeeded over the years. It's the only place I gladly pay for advertising year after year. Thanks Kay for all the great service over the years, and I'm looking forward to many more years of advertising with you!

Follow Me, and I will make you fishers of men.

## Samantha Taylor Fitness

### Samantha Taylor

When my personal training career started in this area over 17 years ago, Mark Dunn called me and asked if I wanted to be a part of their paper. I was new in business in this area and knew I had to get my name out there, so this was the first media outlet I had ever advertised in. As people started to hear about what I offered, through THIS paper, my name started to get out in the community, and in a few years I became the #1 producing personal trainer in the large gym I was in, out of 2,000 trainers!

When it was time to go out on my own, God used THIS paper to give me the confidence that I could find clients outside of that gym. I knew I must, because I wanted to create an environment for women that didn't want to be in a gym. That wanted a safe place they could work out and not feel judged. I also enjoy catering to Christian women who liked that our studio cared about that.

Now we have trained over 6,000 people, have 17 trainers, won the Small Business of the Year Award by the Chamber, give free seminars to the community, and started a meal prep service delivered to your home. We opened our 5th location in Palm Harbor, and we just moved our Wesley Chapel location into a new building that we own. We also have Land O Lakes, Carrollwood, Westchase, and more to come!

I thank God for bringing this paper into my life, and I am SO grateful, for they helped give me the original confidence that I could build this business, and look what its turned into and the amount of people we serve! The owners, Mark and Kay, are some the nicest, most genuine people you'll ever meet and I appreciate how they honor Jesus Christ in this paper. It's such a blessing to partner with them, and I'm happy to know that I am the longest advertiser in the last 17 years!
