JUBILEE!
CELEBRATION OF 2015 - 2016

The Bible describes a period of time of rejoicing where trumpets would sound, all debts would be canceled, and all slaves would be released from captivity. Servants would be free to go back to their homes and all property and land would be returned to their original owners. It is a celebration known as the Day of Atonement, for God owns everything, and He has set up a special regularly occurring period of time where man's possessions will be returned to him, called the Jubilee. Most people know about the 7th day of Sabbath, the day of rest. One of the Ten Commandments. Jonathan Cahn talks about this in his book called "The Harbinger". Then you have the seven year cycle that he refers to as a Samitha that he said that leads to predictions in Biblical history and current history such as 9/11 in 2001 and the

crash of Wall Street in 2008, and the next seven years will put us in 2016 where we should have another big event.

The 7 day Sabbath x 7 Samitha equals 49 years, which are called the Jubilee years, and the Catholic Church has declared the Extraordinary Jubilee year of Mercy for 2015 – 2016. From The Josh Tolley Show.

GFWC Needs Donations for Annual Flea Market

GFWC Lutz –Land O' Lakes Woman's Club is gearing up for its Annual Flea Market on Friday and Saturday, March 4 and March 5, 2016 at the Historic Old Lutz School. The club needs

your donations of good usable household items, clothing, linens, décor, sports and children's items, etc. Please drop off your donations at the Old Lutz School, 18819 US Highway 41, Lutz, FL on any Monday or Wednesday beginning on Feb. 15th from 9am to noon. The Woman's Club is a 501 (c) 3 not-for profit organization and can provide a tax deductible receipt. All donations should be clean and in working order. Large appliances and sleeper sofas cannot be accepted.

This is a very popular sale which helps the community both by recycling useable items and as a great source of finding treasures at bargain

prices. The GFWC Lutz-Land O' Lakes Woman's Club belongs to one of the world's largest and oldest volunteer organizations. Funds raised through the Flea Market will be redistributed to various local charities and non-profits as well as college scholarship grants to area students. Community support this year is particularly important due to the cancellation of the club's largest fundraiser, the Lutz Arts & Crafts show, due to a sinkhole opening in Lake Park.

The club can arrange to pick up large furniture pieces. To schedule, please call Phyllis at (813) 949-1937 or Pat at (813) 948-4752.

Celebrating 13 Years of Growing with this Amazing Publication!

13 years ago I was just starting out my training business in a large gym after I had done in home training for over 5 years, when I got a call from Mark Dunn telling me about this publication. He asked me if I wanted to be a writer in it to help the community become healthier. I didn't know what to expect and was nervous since it cost money and I didn't have any.

It was my first real advertising venture and this was a new publication so I wasn't sure but something within me knew it was the right decision. And WOW to see what has happened in my business in the last 13 years since I started in this paper, it is truly surreal and divine!

I quickly rose up to the #1 producing Personal Trainer in that gym, thanks to this paper and after 3 years I was able to leave and go out on my own working out of another studio. But I wanted something more for this community, I wanted a place for women where they could feel at home and comfortable in their environment. So a year later I opened my 1st private studio of only 850 sq. feet! I was totally on my own, scary and exciting at the same time. I was there for 3 years, then opened my next bigger location of 1500 sq. feet. I was there 5 years and grew out of that location and purchased my current 3750 sq. feet location on a lake!

Then only one year later, I was able to open up my 2nd 3700 sq. feet

location in Wesley Chapel. Soon after, we won the Small Business of the Year award by the Chamber of Commerce! What an honor as we are on our way to helping 10,000 women in this community get fit by 2020 for we have trained over 4,500 women through this business.

We offer personal training out of both locations called Pure Health & Fitness Studios and a fitness boot camp called Fit Body Boot Camp with a total of 11 Trainers. Both are for women and 30 minute workouts. We like to show our members how to live a healthy lifestyle through eating healthy, moving their bodies and changing their relationship with food. When I was at the large gym 13 years ago, I was at the height of my food addictions and by the grace of God I was able to overcome it.

Through that struggle and triumph, I show women how to do the same thing through delicious recipes, seminars and lifestyle coaching and they are amazed how different they view food. The only true answer to having long term success with your health and weight is to learn how to eat in a healthy way you enjoy and can maintain.

And I have this paper to thank for helping me get this message out to so many families. I am their longest advertiser and I am so happy to have partnered with Mark & Kay Dunn in this journey. Thank you!!!

Remember the RESOLUTIONS

Remember the year 2015? I know, we just started 2016, but go back and think, what were my resolutions last year? Was it to lose weight, get in shape, be more kind, etc., or maybe you resolved to be more involved in charitable endeavors? If you are like most of us, there was some goal, adventure, or change in behavior. Let's think back on the desire to help others who are less fortunate than you are. Have you made that step? Did you seek a worthy cause and set out to be a blessing to those involved? If for some reason you did not do what you planned, well don't despair, the New Year has come around again, and you have the opportunity to jump right in and be that blessing. Hope Children's Home, right here in Tampa, could be the place to start!

At this time, we have 71 children we care for on our 55-acre campus, and we always say, "it is the day to day care that is important, from their toothbrush to their education." We would encourage you to search our website to find just the way you can help and actually follow through on a new year's resolution. We make it easy, and you can make a difference in the life of a deserving child. Happy New Year from Hope, and thank you to all that helped in 2015. Thank you in advance to those that have resolved to remember the resolutions in 2016!

Avoid 6 Costly Errors When Moving to A Larger Home and Save Thousands

Tampa Bay Area—A new report has just been released which identifies the 6 most common and costly mistakes that homebuyers make when moving to a larger home. Unlike the experience of buying a first home, when you're looking to move up and already own a home, there are certain factors that can complicate the situation. It's very important for you to understand these issues before you list your home for sale. Not only is there the issue of financing to consider, but you also have to sell your present home at exactly the right time in order to avoid either the financial burden of owning two homes or, just as bad, the dilemma of having no place to live during the gap between closings. In answer to this issue, industry insiders have prepared a **Free Special Report** entitled **"6 Mistakes to Avoid When Trading Up to a Larger Home."** These six strategies will help you make informed choices before you put your home on the market in anticipation of moving to a larger home. **To hear a brief recorded message about how to order your copy of this FREE Report, call 1-800-366-0892 and enter I.D. 1007. Or visit www.TampaBayHomeGuide.com. Both the free recorded hotline and website are available 24 hours a day, 7 days a week. Taylor Hicks Headlines New Outdoor Music Festival

The Spring Music Festival & Expo is being held Friday, March 11 and Saturday, March 12 at The Fraternal Order of Police Pasco Lodge #29 — a private park on Bell Lake that is located on the northeast of Land O’ Lakes Boulevard (US 41) and Bell Lake Road in Land O’ Lakes.

The Central Pasco Chamber of Commerce event, presented by Wesley Chapel Nissan and sponsored by IERNA’S Heating & Cooling, also includes a business exposition.

“The Land O’ Lakes Spring Music Festival & Expo is an exciting evolution of our annual Business Expo, which has been held for more than 20 years at the Land O’ Lakes Recreation Center,” said Chamber President Elayne Bassinger. “We are creating a new community event to bring together local families and businesses to enjoy good music, good times, and the good life we all have in Central Pasco.”

Taylor Hicks, who was the season five American Idol winner in 2006, kicks off the festival Friday evening. Gates open at 6pm and Solar Exposure, the opening act to Taylor Hicks, begins at 6:30pm.

General admission to Friday’s concert is \$25 for open lawn seating. Guests are encouraged to bring blankets and lawn chairs. For those wanting reserved seats closer to the stage, preferred tickets are available for \$40.

In addition to music, Friday’s festivities include food trucks and beer/wine sales. No coolers or pets are allowed. Tickets can be purchased online at the website at www.centralpascochamber.com.

On Saturday, admission is free. In addition to checking out the exhibits of more than 100 local businesses, attendees will enjoy a full day of musical entertainment by several local bands, including Ashley Smith & Josh Higgins, Bad Rabbit, Stonegrey, and Bobby Summers.

“The Central Pasco Chamber has a long tradition of community involvement and being a resource for residents and visitors looking for fun things to do,” said Suzanne Beauchaine, co-chair of the Music Festival & Expo. “We are excited to be creating a new signature event for local residents and businesses, which are such a vital part of our community.”

Proceeds from the Spring Music Festival & Expo will be donated to the Memorial Fund of The Fraternal Order of Police and to the Central Pasco Chamber of Commerce.

Red Cross Collects Veterans’ Stories

“It’s important to get every veteran’s story so future generations can learn about military life from firsthand accounts. Our individual experiences may have been different, but when compiled they form a powerful snapshot of history.” - Teresa Fazio, Operation Iraqi Freedom Veteran

The Central Florida Region of the American Red Cross in partnership with the Veterans History Project, a program of the Library of Congress, is conducting interviews of veterans to help us preserve our military history.

The Veterans History Program captures through video interviews the firsthand accounts of veterans of any branch of the US military who served in any capacity, from World War I through the present, and are no longer serving. They are all eligible to participate. Civilians who served in support of a U.S. war effort in a professional capacity are also welcome to participate. Once edited and

packaged, the interviews are submitted to the Library of Congress. Each participant will receive two DVD copies of their interview.

Red Cross volunteers interview veterans at local VA hospitals, nursing homes, and throughout the area including the First Presbyterian Church of Brandon.

“We conducted our first interview on February 2014, and have since recorded the stories of dozens of WWII, Korea, Vietnam, and recent conflicts veterans,” said Lou Rodriguez, Central Florida Region Services to Armed Forces Director. “This program provides families of our veterans and future generations with a personal account of the veteran’s story captured by the Red Cross and preserved by the Library of Congress.”

To date, the Red Cross Central Florida Region has interviewed 129 veterans.

For information on the Project, visit <https://www.loc.gov/vets/>. To schedule an interview, contact Lou Rodriguez at (813) 868-7625 or lou.rodriguez@redcross.org.

1 Peter 5:7

The following materials are from a wealth of knowledge I have gained over 35 years, whether through Crown, Peace University, or preaching, but especially through my Kingdom Advisors Core Training.

1. Good financial advice always has its roots in Biblical Wisdom.

a. Financial advice is in reality, spiritual advice, because money is how you work out your belief system (values, goals, priorities).

2. Every financial decision made will have at its roots a spiritual value or conviction.

a. The person making the financial decisions may not understand they are working out a spiritual conviction.

3. Life is all about decisions.

a. Decisions determine destiny.

4. God should receive all the praise and glory because He has given the advisor wisdom and the client/donor/family everything that they need to make good financial decisions.

Observable Symptoms of Stewardship

1. Giving will be in proportion to income.
2. Controlled lifestyle.
3. Taxes paid with integrity and thanksgiving.
4. Husbands and wives set financial goals together.
5. Accountability.

God's Big Idea: God wants me to be content.

1. "Satisfied to the point of where I am not disturbed or disquieted." Phil. 4:11 (Amp)
2. "Let your character or moral disposition be free from love of money." Heb. 11:5 (Amp)
3. "A sense of inward sufficiency." I Tim. 6:6 (Amp)

"Contentment is looking back without regret, looking at the present without envy, and looking at the future without fear." Phil. 4:10-13 (Dr. David Jeremiah)

I hope you find this helpful and hopeful for your financial future. Any further information or questions you may have, you can certainly contact me. (Joshua 1:8-9)

"Live in harmony with one another, be sympathetic, love as brothers, be compassionate and humble. Do not repay evil with evil or insult with insult, but with blessing, because to this you were called so that you may inherit a blessing."

Love Yourself for Valentine's

Samantha Taylor
Pure Health & Fitness Studios

I find it interesting that Jesus' reply to being asked, "What is the most important commandment in the Bible?" that He answered, "To love God with all your heart, soul, and mind and to love your neighbor as yourself."* Interesting. How can you love your neighbor as yourself if you don't even love you?

It is not a selfish thing to take care of your health and mental well-being. It's called responsibility for your body. Guess what? The body you have right now is the only body you get until the day you die, so why not start loving it and taking care of it now? If you don't, your body will quickly start to fall apart and you will wonder, "How did I get here?"

I am being direct because sometimes that is what we need to break through all of our excuses for why we aren't doing something and just do it. Give yourself a gift for Valentine's Day—do something nice for yourself like get a massage, take a hot bath, or get a facial. And I encourage you, with this new year, to really start to take care of the body God has given you and hire a personal trainer to help you (and husbands, it's okay to get this as a gift for your wife).

This is not a program that is going to put you on drugs or crazy diets so you can't maintain it once you go off of them, but it's a place that helps you to learn how to eat, get physically fit, and be around women like yourself. If a place like mine sounds good to you, visit my website to get some delicious recipes. I want you to see how easy it really can be to get results when you make that decision that it is time to start taking care of you. Check out my full page ad in this paper celebrating helping women through this paper for 13 years! Go here to get some amazing recipes: www.PureHealthStudios.com/getrecipe.

*Matthew 22:36-40

That may seem like an odd statement. However, I think that is the art that so many people have lost, especially women. Women usually take care of everyone else but themselves—their kids, spouse, parents, or career—then, if they have any energy left, they will take care of themselves. But the problem with this way of living is that if you are not really taking care of you, you won't have the energy to fully enjoy all the other things you are doing.

Since my personal training studio has helped over 4,500 women lose weight, I tend to hear the same things over and over again: "I am so tired that I don't even have the energy to play with my kids at night, let alone really spend time with my husband," or "I can't imagine what I could actually accomplish if I wasn't always thinking about my weight or what I am going to wear," or "I want to feel good again because I just hate feeling this way!"

The challenge is that so many women don't know how to take some time for themselves. Yes, all your other responsibilities are very important, but if you don't also take care of you, you will regret it. You will wake up one day and find yourself 50 pounds overweight or in a size 16 or sitting at the doctor being told you have diabetes or heart disease. And the scary thing about heart disease is the first symptom that you have it is usually sudden death! Did you know heart disease is the #1 killer of women, and it kills 1 in 3 people in this country?!

The Sleeping Beauty

Under the Artistic Direction of Stanislav Ivanov the beauty awakes in Tampa on April 30, 2016. The timeless tale of the beautiful Princess Aurora put under the spell of the evil sorceress Carabosse is sure to enchant audience members of all ages. The cast of fanciful characters will captivate and delight as the fairies happily grant gifts of honesty, grace, prosperity, song, and generosity.

First presented in 1890, *The Sleeping Beauty* remains the best example of narrative ballet theatre. The ballet's creators—composer Peter Tchaikovsky and choreographer Marius Petipa—transformed Charles Perrault's literary fairy tale, bringing to life the romantic legend of the spellbound Princess Aurora. Watching this enchanting story bal-

let, it's easy to believe in the magic that allows spells to be broken, good to triumph over evil, and a charming prince to rescue his beautiful princess. The adventure comes to a magnificent close in the wedding celebration of true love attended by notable fairy tale characters such as the White Cat, Puss N' Boots, Little Red Riding Hood, the Wolf, Tom Thumb, Cinderella, and her Prince.

Tampa Bay Triple Threat Theatre and the Classical Ballet of Tampa will present the full production of *The Sleeping Beauty* at The University of South Florida Theatre One on April 30, 2016 at 2:00pm & 7:00pm. For ticket information and more details, please check the theatre website at tbttt.org or call 813-969-0240 x228.

IT DEFINITELY PAID OFF TO HIRE A PROFESSIONAL.

I just wanted to let you know how happy I am with your service. My son Chris was able to pass the driving test and get his driver's license on his first try. When I came to you for help, you were quickly able to spot some incorrect techniques that Chris was using in driving and showed him better ways. He improved significantly in just a short period of time with the proper instruction. There is a big difference between someone who has a driver's license and many years driving (me) and someone who knows how to teach it. It definitely paid off to hire a professional. I felt a lot of anxiety trying to teach my son and actually held him back from learning because I was terrified of taking him into high traffic areas or on the expressway. I don't

think we would have progressed much beyond driving just in the suburbs if I hadn't found your service and I really appreciate all that you did for us. I would highly recommend your driving course to anyone who has a teen or new driver.

With today's auto manufacturers not being very specific with maintenance intervals and the fact that you are out of warranty before they require you to change any fluids except for oil is not by accident. The longer you drive without service, the more failures you are likely to have and return for repair. This gives you the perception of lower operating cost, but in reality it can be much more expensive! Don't be deceived! Follow a basic list of suggested services to keep your vehicle performing as it should:

15k mile service - air filter, rotate and balance tires, wipers (or once a year), 25k mile service - fuel system clean with injector clean, 30k mile service - brake flush, power steering flush, and cabin air filter plus 15k service, 45k mile service - rear differential gear oil service and or front (on all or 4x4 drives) plus 15k service, 50k mile service - transmission service plus 25k service, 60k mile service - 15k and 30k mile service, 75k mile service - 15k service, 90k mile service - timing belt when needed plus 15k, 30k, and 45k, 100k mile service - full tune-up service plus 25k and 50k service.

Note: these may vary a little by manufacturer, but here is a good rule of thumb to use: do your oil changes as required in your owner's manual.

\$20.00 off any of the above services with this coupon through March 31, 2016!

Grace celebrates our pre-creation innocence. While praying with the LCU staff during the first week of this new year, I was impressed by the Lord to look at 2 Tim. 1:6-9. The most famous portion is verse 7, which in the NKJV says, "For God has not given us a spirit of fear, but of power and of love and of a sound mind."

The Mirror Bible says this, "Become fully acquainted with His gift in you, there is nothing timid about it; the dynamic of a mind liberated in the spirit of love is fearless and unstoppable." The Greek word for "mind" here means a saved mind, a mind saved from tolerating inferior thoughts. Oh, I pray that you receive that concept. God wants us to know Him and his presence and His power, and to be liberated from lowly, useless thoughts.

I need to interject Ephesians 1:4 here before continuing in 2 Timothy. This verse says, "just as He chose us in Him before the foundation of the world." The problem with this verse is the word "foundation". The Greek word is "katabalo" not "themelios". It is the word that means to fall away or to put in a lower place. It is referring to the reality that God chose us before Adam and Eve caused

The Celebration of Grace

the fall of the world. The Mirror Bible translates this verse like this. "He associated us in Christ before the fall of the world. Jesus is God's mind made up about us. He always knew in His love that He would present us again face-to-face before Him in blameless innocence." In other words, God found us in Christ before He ever lost us in Adam.

Now let's look at 2 Tim.1: 9 which says, "He rescued the integrity of our original design and revealed that we have always been His own from the beginning, even before time was. This has nothing to do with anything we did to qualify or disqualify ourselves. We are not talking about religious good works or karma here. Jesus unveils grace to be the eternal intent of God! Grace celebrates our pre-creation innocence and now declares our redeemed union with God in Christ Jesus."

Jesus redeemed our Adamic innocence, and more than that, He purchased back our original design and purpose. This is the blessing for the born again child of God. If you have not received Jesus as your Lord, do so now and take advantage of His marvelous gift of redeemed and eternal life.

"I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge-that you may be filled to the measure of all the fullness of God."
— Ephesians 3:17-19

Jubilee! Celebration 2015-2016

Continued from Page 1

When Moses crossed the red sea to leave Egypt. Most everybody, whether they are Christian or not, would remember the movie "The Ten Commandments" by Charlton Heston, which was based on the Israelites. When Moses went up onto Mount Sinai and God gave him the Ten Commandments, God also gave him what is called the seven feasts and included in those seven feasts was what the children of Israel were to keep such as the Passover and the tabernacle. One the things that God instituted was the Jubilee. Every 49 years they were to let the land rest.

Trumpets would sound for the Jubilee, and on that year they would not harvest or plant their field so that the land could rest. Three things would happen during the Jubilee. First, if any tribes of Israel owed any money all debt would be forgiven. Second, if you were a bond servant, went bankrupt, or you had to work for who you owed, it was forgiven. Thirdly, if you lost or defaulted on your property on the 49th year of Jubilee, you could go down to the city hall and be issued a brand new title to your property, and even if someone held that property, they would have to give it back.

As Daniel explains his Jubilee Biblical prophecy theory, it would be like Jesus coming back with a deed in His hand. In Genesis, when God created man, He gave dominion over the earth, and when Satan the serpent came and man sinned, he gave up his ownership or lordship of the earth and gave it to Satan. Though this may sound like a fairytale

Satan now holds lordship over what is going on here now until Jesus returns on his white horse and reclaims the lordship of Earth, and that is what a Jubilee is. In order to find out more about the timeline now, look at 1500 BC when Moses crossed the Red Sea and God gave him the books of the law of the Jubilee before Jesus showed up and take the 2,000 years of the New Testament, and you have about 3,500 years. But because the calendar has been altered, it makes it hard to pin down. If you divide the 3,500 years by 50 Jubilee years it equals 70. Remember they add the year of rest to the 49 to get 50.

Here are the dates of the 70 Jubilees: The Jubilees clock began ticking in 1416 BC when the children of Israel entered Canaan. The first Jubilee was 49 years later in 1367 BC. Every 49 years another Jubilee has occurred.

The Final Jubilee Year is 2015-2016: The final Jubilee began on the Day of Atonement in the fall of 2015, and there will have been 40 completed Jubilee cycles following Christ's death. It's interesting that 40 in the Bible is a significant number to God. The 40 Jubilees after Christ's death bring us to the end of probationary time. After the middle of 2016, there will be no more opportunities for people to receive the year of Jubilee.

Jesus is King for 40½ Jubilees: Jesus died in 31 A.D. in the middle of the 30th Jubilee cycle. There were 40 ½ Jubilee cycles yet to occur to complete the total of 70.

When Jesus was resurrected, He was taken to heaven to reign as king with God on His throne. Jesus ascended to heaven in 31 A.D. and sat down at the right hand of the throne of God.

"Looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God." Hebrews 12:2

When Jesus comes the second time to get His people, He will have reigned in heaven as king for 40 ½ Jubilee cycles. He will have reigned from 31 A.D. – 55 A.D. (1/2 Jubilee cycle) and from 55 A.D. – 2016 A.D. (40 Jubilee cycles) for a total of 40 ½ Jubilee cycles. David reigned over the children of Israel as their king. Notice how long David reigned as king:

"And they anointed David king over Israel. David was thirty years old when he

began to reign, and he reigned forty years. In Hebron he reigned over Judah seven years and six months, and in Jerusalem he reigned thirty-three years over all Israel and Judah." 2 Samuel 5:3-5.

David reigned in Hebron 7 ½ years and in Jerusalem 33 years for a total of 40 ½ years. David was a type of Jesus, and David's throne was given to Jesus after His resurrection.

"And behold, you will conceive in your womb and bring forth a Son, and shall call His name Jesus. He will be great, and will be called the Son of the Highest; and the Lord God will give Him the throne of His father David. And He will reign over the house of Jacob forever, and of His kingdom there will be no end." Luke 1:31-33.

David reigned as king on earth for 40 ½ years. Jesus will reign as king in heaven for 40 ½ Jubilees

From Canaan to Canaan: The 70 Jubilees clock began when the children of Israel entered Canaan, the land God had promised them. The 70 Jubilees clock will end when God's people enter heavenly Canaan, the land God has promised them. From earthly Canaan to heavenly Canaan is 70 Jubilees.

When Jesus was resurrected He was taken to heaven to reign as king with God on His throne. Jesus ascended to heaven in 31 A.D. and sat down at the right hand of the throne of God.

Proverbs 10:22 "The blessing of the Lord brings wealth and He adds no trouble to it."

THANKS TO OUR CHRISTIAN BUSINESS PARTNERS!

For the great services you provide. I recently had my carpets cleaned by Tim, owner of Ultimate Tile & Grout, and my windows cleaned by Lewis and his son, owners of Sunshine State Window Washing. They both gave excellent results and offered fellowship after the work was completed. They are both ethical and trustworthy. We also asked Gretchen, owner of Deco Pavers, to give our deck a beautiful new look at a very reasonable rate. Give these folks the opportunity to earn your business!

Just Palms

Chris Tillman

As a longtime advertiser in Dunndead Publications, I just wanted to say thanks for your years of service. I've met so many great readers over the years, many who use our services year after year. Advertising in your publications is probably the sole reason my Palm Trimming business has succeeded over the years. It's the only place I gladly pay for advertising year after year. Thanks Kay for all the great service over the years, and I'm looking forward to many more years of advertising with you!

Family Concerts
Peter and the Wolf

Join Peter and his animal friends for an adventure through the woods and the meadow with Prokofiev’s classic tale, performed by a TFO woodwind quintet. Come early for activities and the Instrument Petting Zoo.

These engaging and interactive chamber music concerts introduce young children (preK-2nd grade) to classical music with a Florida Orchestra ensemble. Partnering with community organizations, TFO Family Concerts help develop focus, creativity and critical thinking skills. They’re also just plain fun!

Before each concert, Musical Playtime offers kids and their families the opportunity to play

everything from violins to trombones at the Instrument Petting Zoo. Arts and crafts, movement activities, and a book corner also capture imaginations, preparing kids for the theme of the concert.
