How to Understanding the Meaning of Lent

Lent is a time of the season for sacrifice and reflection as the church waits to celebrate the resurrection of Christ from the cross. To learn the history and tradition of the celebration, you would need a Bible, calendar, a church to attend, a sacrifice, and prayer.

Step 1: Read the story of Jesus in the desert found in chapter four in the book of Matthew. Lent is a time meant to reflect the 40 days that Jesus wandered and fasted in the desert.

BBBSTB Names 2016 Big Brother and Big Sister of the Year

Two dedicated volunteers who have had a significant and positive impact on the youth they mentor have been honored as the Bigs of the Year by Big Brothers Big Sisters of Tampa Bay.

Rob Van Tassel, 58, of Pinellas Park and Seth, 16, have been named Big Brother and Little Brother of the Year. Kim Harvey, 50, of St. Petersburg and Delaney, 14, have been named Big Sister and Little Sister of the Year.

Big Brothers and Big Sisters are adult volunteers who are matched with children facing adversity (called their "Littles") for professionally-supported one-on-one mentoring. Last year BBBS Tampa Bay matched nearly 3,000 children with caring, positive role models.

Van Tassel, a logistics manager with Southwire, has been matched with Seth since 2008. Seth's father was not involved in his life at the time, and Seth was having difficulty getting along with other children. He was also starting to struggle academically. Under Rob's caring and consistent mentoring, however, Seth's behavior and school work improved. Seth's mother describes him

as "more respectful of others and mature" since meeting Rob.

The two often discuss Seth's goal of attending college and becoming a sports physical therapist. "Rob makes me happier," Seth said. "He cares about my future and wants me to get somewhere in life. He inspires me to work harder and not give up."

In addition to his mentoring, Rob also serves as co-chairman of the Pinellas Leadership Council, a support and advisory group for BBBS, and has volunteered at many fundraising and match events.

Kim Harvey and Delaney have been matched for more than 3 years. Kim, owner of Kim Harvey Design, had recently moved to St. Petersburg from Jacksonville and was looking for a way to becoming engaged in her new community. "Big Brothers Big Sisters came to mind as a deeply established and supremely successful organization worthy of investigation," Kim said, "so I made the leap."

For more information about becoming a mentor or making a donation to Big Brothers Big Sisters of Tampa Bay, please visit our website at BBBSTampaBay.org.

March is Red Cross Month, A Time to Recognize Everyday Heroes

The American Red Cross is recognizing the country's everyday heroes during Red Cross Month.

"Our community is full of everyday heroes who help others in need," said Linda Jorge Carbone, CEO of the Central Florida Region and the Tampa Bay Chapter. "They are our selfless Red Cross volunteers and financial contributors who bring rescue to people facing life's emergencies. During Red Cross Month, we thank them for their tremendous support."

March has been recognized as Red Cross Month for more than 70 years. All of our presidents, including President Barack Obama, have designated March as Red Cross Month to recognize how the American Red Cross helps people across the country and around the world.

The Red Cross depends on local heroes to fulfill its mission. The Red Cross responds to a community disaster every eight minutes, providing shelter, food, emotional support, and other necessities to those affected. It provides 24-hour support to members of the military, veterans, and their families at home and around the world. It must collect 14,000 units of blood every day to fulfill the country's needs. It trains millions of people in first aid, water safety, and other lifesaving skills. And it supports the vaccination of children around the globe against measles and rubella.

In fiscal year 2015, Central Florida Region volunteers responded to 1,081 local emergencies, assisted 13,756 military families, and trained 31,369 people in lifesaving skills.

"It's easy to become a Red Cross commu-

nity hero," said Carbone. "Be ready for an emergency by creating a preparedness plan for your home. Test your smoke detectors and tell your neighbors to do the same. Or sign up to be a Red Cross volunteer, or make a financial donation."

People can find more information about supporting the Red Cross on redcross.org. The Red Cross is not a government agency and relies on donations of time, money, and blood to do its work. An average of 91 cents of every dollar the Red Cross spends is invested in humanitarian services and programs.

About the American Red Cross:

The American Red Cross shelters, feeds, and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives, provides international humanitarian aid, and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or visit us on Twitter at @RedCross.

"It is better, if it is God's will, to suffer for doing good than for doing evil. For Christ died for sins once for all, the righteousness for the unrighteous, to bring you to God. He was put to death in the body but made alive by the Spirit."

7 Things You Must Know Before Putting Your Home Up for Sale

Tampa Bay Area—A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their homes, and a 9 Step System that can help

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of home sellers don't get what they want for their homes and become disillusioned and—worse—financially disadvantaged when they put their homes on the market.

As this report uncovers, most home Sellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable.

In answer to this issue, industry insiders have prepared a **Free Special Report** entitled **"The 9 Step System to Get Your Home Sold Fast and For Top Dollar"**.

These six strategies will help you make informed choices before you put your home on the market in anticipation of moving to a larger home.

To hear a brief recorded message about how to order your copy of this FREE Report, call 1-800-366-0892 and enter I.D. 1000. Or visit www.TampaBayHomeGuide.com. Both the free recorded hotline and website are available 24 hours a day, 7 days a week. Order NOW to find out how you can get the most money for your home.

This spring, new Music Director Michael Francis will lead The Florida Orchestra's first-ever "Sing Out! Tampa Bay" concert, a sing-along event that features a community chorus performing onstage with the orchestra for one night only.

"The beauty of a singing event is that everybody can participate," said Maestro Francis. "It is the most natural form of musical communication. Just imagine the power of bringing together so many people as one community with one voice."

This is the first time The Florida Orchestra has presented an entirely community-based sing-along concert. The debut event will be from 7 to 9pm, Tuesday, April 26, at the Mahaffey Theater, 400 First St. S., St. Petersburg. Admission is pay what you can.

Repertoire will include classical works such as Handel's Hallelujah Chorus and Beethoven's Ode to Joy, as well as popular pieces such as You Raise Me Up, Amazing Grace, and favorite American songs.

“What Chu’ Talkin’ ‘bout, Willis?”

A Christian’s Growth Process

James H. Willis, III

Founder and President
The Willis Agency, Inc

813-948-9109

Jim@TheWillisAgency.com

www.TheWillisAgency.com

1 Peter 5:7

In a continuation of our discussion, A Biblical Financial Philosophy, this month I want to talk briefly about how we make those changes. Unlike resolutions that are “self-detrimental” and eventually run out of steam, we need to learn to make permanent changes that positively impact our lives, businesses, and our walk. I would like to address it as a 3-Step Process.

1. Know
2. Believe
3. Do

We must be moved from where we are to where God wants us to be.

The first step is to KNOW who we are to God. That means we need to change the way we think. The words we tell ourselves have power over our life (self-talk). That means we need to change the way we think. Here are several familiar verses: Romans 12:1-2 and 2 Corinthians 10:3-5.

As we continue to change our thinking and knowing, we will be empowered to take the next step and BELIEVE. All behavior is a function of your belief system. Some of the things we believe could be scary or somewhat true while others are strongly-held beliefs. We can also call these “convictions.” Convictions are defined as an unshakable belief

in something without the need for further proof (Hebrews 11:1). So, once you know what you know, you begin to believe it, and it changes your understanding and prioritizes your purposes.

And when these are understood deeply enough, you now are compelled to DO something about it. That coincides with what you know and understand. You will not be able to consistently act or operate contrary to the new-founded principles. The process of moving from believing to doing is always a faith-step, because you are stepping into the unknown. (James 1:22-25). To restate this another way, there are 5 Practical Steps:

1. Your Perspective and Paradigms (Your Worldview)
2. Principles and Precepts (Biblical Wisdom)
3. The Process and Understanding (Change and Transformation)
4. Personal Convictions develop (Biblical Philosophy)
5. Practice (Application)

Whether it is in business activities, church work, or your attitude, this is the process for growth that creates permanent life change. And you’ll love it!

Caring for you and yours,

Jim

The Sleeping Beauty

Under the Artistic Direction of Stanislav Ivanov the beauty awakes in Tampa on April 30, 2016. The timeless tale of the beautiful Princess Aurora put under the spell of the evil sorceress Carabosse is sure to enchant audience members of all ages. The cast of fanciful characters will captivate and delight as the fairies happily grant gifts of honesty, grace, prosperity, song, and generosity.

First presented in 1890, The Sleeping Beauty remains the best example of narrative ballet theatre. The ballet's creators—composer Peter Tchaikovsky and choreographer Marius Petipa—transformed Charles Perrault's literary fairy tale, bringing to life the romantic legend of the spellbound Princess Aurora. Watching this enchanting story bal-

let, it's easy to believe in the magic that allows spells to be broken, good to triumph over evil, and a charming prince to rescue his beautiful princess. The adventure comes to a magnificent close in the wedding celebration of true love attended by notable fairy tale characters such as the White Cat, Puss N' Boots, Little Red Riding Hood, the Wolf, Tom Thumb, Cinderella, and her Prince.

Tampa Bay Triple Threat Theatre and the Classical Ballet of Tampa will present the full production of The Sleeping Beauty at The University of South Florida Theatre One on April 30, 2016 at 2:00pm & 7:00pm. For ticket information and more details, please check the theatre website at tbtt.org or call 813-969-0240 x228.

IT DEFINITELY
PAID OFF TO HIRE
A PROFESSIONAL.

I just wanted to let you know how happy I am with your service. My son Chris was able to pass the driving test and get his driver's license on his first try. When I came to you for help, you were quickly able to spot some incorrect techniques that Chris was using in driving and showed him better ways. He improved significantly in just a short period of time with the proper instruction. There is a big difference between someone who has a driver's license and many years driving (me) and someone who knows how to teach it. It definitely paid off to hire a professional. I felt a lot of anxiety trying to teach my son and actually held him back from learning because I was terrified of taking him into high traffic areas or on the expressway. I don't

think we would have progressed much beyond driving just in the suburbs if I hadn't found your service and I really appreciate all that you did for us. I would highly recommend your driving course to anyone who has a teen or new driver.

With today's auto manufacturers not being very specific with maintenance intervals and the fact that you are out of warranty before they require you to change any fluids except for oil is not by accident. The longer you drive without service, the more failures you are likely to have and return for repair. This gives you the perception of lower operating cost, but in reality it can be much more expensive! Don't be deceived! Follow a basic list of suggested services to keep your vehicle performing as it should:

15k mile service - air filter, rotate and balance tires, wipers (or once a year), 25k mile service - fuel system clean with injector clean, 30k mile service - brake flush, power steering flush, and cabin air filter plus 15k service, 45k mile service - rear differential gear oil service and or front (on all or 4x4 drives) plus 15k service, 50k mile service - transmission service plus 25k service, 60k mile service - 15k and 30k mile service, 75k mile service - 15k service, 90k mile service - timing belt when needed plus 15k, 30k, and 45k, 100k mile service - full tune-up service plus 25k and 50k service.

Note: these may vary a little by manufacturer, but here is a good rule of thumb to use: do your oil changes as required in your owner's manual.

\$20.00 off any of the above services with this coupon through March 31, 2016!

Dr. Dan Coflin
Pastor, River of Life Church

Did you know God is in the blessing business? God blesses us with His kingdom, with His image, with knowledge, wisdom, and understanding and with multiplied blessings.

First of all, God's kingdom is an everlasting kingdom (Luke. 1:33). This eternal kingdom is not stagnant but ever-growing and increasing (Isaiah. 9:7). It is a kingdom of righteousness, peace, and joy (Romans 14:17), but the best thing about this kingdom is that it is not far off in some distant galaxy. No, the kingdom of God is here. It is with us, in us, and it is God's delight to give it to us (Luke 17:20; 12:32).

God has also given us His image. Man, who was created in God's image in the beginning (Genesis. 1:26), lost that image because of sin, but that image is regained in the Lord Jesus Christ. Jesus not only paid the price of judgment on the cross for our forgiveness, but his resurrection from the dead made us a new creation (2 Corinthians 5:17). When we come to Jesus, he removes our guilt and shame, but more than that, he remakes us in his image.

Along with the kingdom of God and restored image of God, we also possess something we did not have before we were changed by the power of God. We now have knowledge, wisdom, and understanding. Not the kind acquired by study or observation, but that which comes from the indwelling Spirit of God (1 Corinthians 2:16; 1 John 2:20). There is a wisdom that comes from man, but there is another kind of wisdom that comes only from God (James 3:13-17).

The blessings of God come to us because

God's Blessings

God is our Father and he loves us and loves to bless us (Ephesians 1:3; Romans 8:15-17). Jesus received our curse so we could receive the blessings he promised to Abraham (Galatians 3:13-14).

Are you satisfied right now, today, where you are? Does your life seem to be stuck in one place or are you daily growing and increasing in the things of God? You see, the things of God are never inactive or dormant. God's kingdom is an ever-increasing kingdom. That means the kingdom of God that is in you should help you walk every day being more aware of God's righteousness, peace, and joy. Today, you should look more like Jesus than you did yesterday because you are being changed by the Spirit of God into the glorious image of Jesus more every day. It is not without your cooperation. It doesn't just suddenly happen, but as you look daily into the Word of God and see the image of Jesus, you are changed into that same image (2 Corinthians 3:18).

The kingdom of God is increasing in you and all around you. You are looking more like Jesus every day, and you are walking in wisdom far beyond your own ability. This is the place God wants us to live in every day. Today should be better than yesterday, and tomorrow will be better than today, for the blessings of God increase us more and more (Psalms 115:14).

We would love to invite you to visit River of Life Church on 410 East Chapman Rd. in Lutz. Our lively worship begins at 10:30 on Sunday morning, and our church is a non-denominational, spirit-filled ministry. So please honor us with your visit. We would love to have you!

One City Ministries: Making a Difference

Continued from Page 1

a real estate investment company and was the founder of the Christian Emergency Response Force which trained and organized disaster response teams. While he'd felt the call to do missions work in Africa, the couple had not yet been on a missions trip, but the loss of their teenage son, Sean, in the summer of 2007 would dramatically change that. Rather than let their personal pain destroy them, the Gilberts were motivated to do something good for the world, starting in Uganda.

In 2008, they founded One City Ministries (OCM) with a goal of holistically addressing the issues that trap people in poverty. The Gilberts teach comprehensive programs to break down the foundations of poverty through empowerment and sustainable independence. OCM's main thrust is an economic development program called Africa TrAID which pays Ugandan artisans fair rates for handmade items sold through OCM's website and at retail locations. These wages have paid for homes, medical care, new businesses, and training for Ugandans. A central aspect of the program is that resources and training—not handouts—are provided. Proceeds from Africa TrAID go straight back into OCM work on the ground in Uganda.

In the quest to end poverty and human suffering, One City's Light Village is currently under construction using holistic approaches to the obstacles impeding the advancement of humanitarian interests. "OCM is focused on creating a community prototype in

Uganda with a global impact in mind," states Mike. When fully operational, the 23 acre village will be 100% self-sustaining, including One City's Light Fuel, an aquaponics/tilapia farm, bee keeping facilities, and poultry farm. These projects will completely support a family crisis center, a primary school, a family health and women's clinic, a church, and a vocational training center.

The Gilberts have reached out to others here in the Tampa Bay Area for the expertise needed to complete Light Village. Phil Reasons, an international expert with aquaponics and tilapia farming, is on board along with local "Moringa Man" Ken Black. Ken lends his knowledge and experience using the amazing Moringa tree in the prevention of starvation and malnutrition. Moringa, a growing supermarket of natural vitamins and minerals, has been cited in the prevention of 300 diseases—diseases often found alongside poverty and hunger.

Moringa is also used in the production of methane gas which is then converted into bio-fuel. A safe, inexpensive fuel allows underdeveloped countries to save both lives and forests. Ken and local engineer Peter Buczynsky are hard at work on groundbreaking bio-fuel experiments. Recent tests at USF using Moringa have produced impressive results, but converting the gas into fuel in undeveloped nations is the challenge. "In developed nations, it is easy to compress the gas into bottled fuel using electric pumps. Converting the gas into fuel in a third world village is

Ken Black and this talented team believe the results will be worth the time and effort invested both locally and globally.

Mike and Deb's ultimate goal is to replicate the Light Village model in nations across Africa and anywhere else in the world where

poverty causes human suffering. Understanding the Meaning of Lent

Continued from Page 1

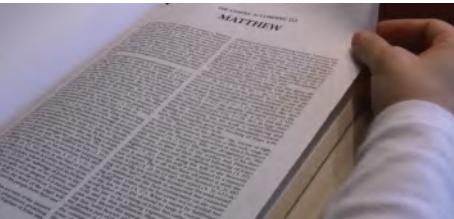

- Step 2:** Note the colors used for drapes and on altars. The color purple is often used, as it is a mourning color to signify Christ's suffering. It is also the color of royalty and represents Christ rising from the grave to become the King of Kings.
- Step 3:** Mark the date on your calendar. The Lenten season begins on Ash Wednesday, and it concludes 40 days later on Easter.
- Step 4:** Celebration of Ash Wednesday is when a cross is marked on the foreheads of members of the church using ashes to remind parishioners of their mortality. From dust we came, into dust we will return.
- Step 5:** Sacrifice what you take for granted during Lent. Catholics fast on Ash Wednesday and Good Friday, and abstain from meat on Fridays during Lent. The meaning behind abstaining is meant as a reminder of Christ's sacrifice in the desert. Give up a favorite food or vice during Lent.
- Step 6:** Make Lent a time of prayer and penance. Lent is a time of reflection meant to draw you closer to your relationship with God.

Step 7: Celebrate the resurrection of Jesus on Easter. The last Friday in Lent is Good Friday, which is marked as the day Jesus was nailed to the cross, and on Easter Jesus rose from the cross, marking the end of Lent.

The number 40 is repeated throughout the Bible, as in the story of Noah where it rains for 40 days and 40 nights, and when Moses was on the mountain for 40 days and nights. Don't get hung up on counting the days. That is taking something meant to be symbolic and interpreting it literally. Lent ends after the Mass of the Lord's Supper on Holy Thursday and the Triduum begins, ending at midnight on Easter Sunday.

Sundays are part of Lent, but even when fasting and abstinence were the only prescribed penance, Sundays were exempt from those rules. At different periods of time, the length of Lent has varied, and the pre-Lenten period, including the day for beginning of Lent, has also varied.

We Will Miss You and Your Golf Tips!

PGA Professional Rick Bradshaw, golf instructor for more than 35 years, died Jan 24th from complications of cancer. Rick has been providing a golf column in the Gazettes for the past 10 years.

My name is Kim Harrison, and our family was the lucky winner of the four (4) tickets to the Circus. I wanted to personally thank you as my family and I had a wonderful time. We made it a great night out and purchased an extra ticket so that my daughter's boyfriend could attend with us, making it extra special for them as he too hadn't ever been to a circus. Afterwards, we stopped for a sundae, topping the night off with an ice cream treat for everyone. It was great to receive the tickets as we otherwise wouldn't have been able to go, but more importantly, you gave us all a great family memory. Huge thanks for everything! The Harrison Family
